Message from the Guest Speaker

**Ambassador Eunice Kigenyi, Deputy High Commissioner,
Uganda High Commission, Nairobi, Kenya.**

AMBASSADOR EUNICE KIGENYI,
Deputy High Commissioner,
Uganda High Commission, Nairobi,
Kenya

I wish to express my appreciation for the privilege to serve as the Guest Speaker during this auspicious occasion of the 26th Graduation Ceremony of Mount Kenya University.

The Mission Statement of Mount Kenya University directs this university to **“Provide a world-class education, research and innovation for global transformation and sustainable development”**. This Mission Statement gives a lot of relevance to the theme of the 26th Graduation Ceremony which addresses the same need for internalization of the university education for development of cutting-edge manpower to effectively drive development within what has now become the global village.

The theme of the 26th Graduation Ceremony is thus, a vital point of reflection for the stakeholders of this university.

As we are all aware, the world is changing and MKU as an institution must remain well in tandem with that change. Within the world-of-work, this global change is significantly brought about by the fast evolving 4th Industrial Revolution which is powered by digitization and stimulated by Artificial Intelligence (AI). This brings us to a direct reference unto the United Nations Sustainable Development Goal No. 8 on **“Decent Work and Economic Growth”**, as well as the International Labor Organization’s **“Global Job Pact”**. These two are inter-related as reflected on SDG 8’s Target 8(B) which states as follows; “... the world and global institutions (such as Mount Kenya University) shall have developed and operationalized a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization.”

But what is the Global Job Pact? This is a set of policy measures that nations across the world need to adopt with the support of regional and multilateral institutions. The Global Job Pact measures aim at easing the employment crisis and calls on ILO member

states to emphasize a creation of decent work for social-economic development.

The ILO Jobs Pact and Mount Kenya University Scenario

MKU’s students have successfully obtained jobs across the world and are effectively contributing to the global workforce needs. There are students who are working at the center for Professional Development and employed to online monitor on 24/7 basis, and the transportation network of a tens of tracks in the USA and they get paid for that while still at MKU and taking that alongside their studies. The University is working with a German-based organization and one German University to secure nursing jobs in Germany and Austria for MKU’s Alumni. Additionally, given that the University has a continuous presence of lecturers and researchers from other countries including India, Germany, Nigeria and so on, this is a great testimony that MKU is operating within the guidelines and expectations of the theme of the 26th Graduation Ceremony namely, **‘Internationalization of University Education Towards Development of a Competitive Global Workforce’**. I urge the university to bring more and more Africa Universities into the discourse on the internalization agenda within the framework of the Sustainable Development Goals.

To the graduands, their parents, guardians and all MKU Stakeholders, congratulations for a job well done.

Message From THE CHANCELLOR

PROF. JOHN J.M. STRUTHERS,
MA (Hons), MPhil, FRSA, FHEAS
Chancellor, MKU

Hamjambo!

I am once more privileged to preside over the 26th Graduation Ceremony of Mount Kenya University. To everyone, please receive a hearty message of greetings from my family, and from my University, the University of the West of Scotland, UK.

I note with appreciation that the theme of the 26th Graduation Ceremony of Mount Kenya University is very well informed because capacity building is a core business at Mount Kenya University and also the case for all universities globally.

Since I joined Mount Kenya University as the Chancellor, several years ago, I am happy to say that, I have witnessed MKU embrace several Growth Strategies and become a steady hub for manpower development at an international level as evidenced by her number of international students. The quality of the graduates produced lead to the overall growth of Mount Kenya University for as they graduate and join global workforce, they do so as alumni and ambassadors of the university. The epitome or essence of MKU's growth is clearly demonstrated by the quality workforce trained for the international market. This has been one of the growth strategies at MKU. Congratulations to Mount Kenya University for milestone achievements.

I am also happy to note that another growth strategy at Mount Kenya University has been a deliberate support of a number of consortia to drive the University Mission. These include, among others, the Africa Center for Career Enhancement and Skills Support (ACCESS); the Students Training for Entrepreneurial Promotion on Sustainability (STEP-S); the International Interdisciplinary Consortium – Africa; and MKU's students involvement in the Millennium Fellowship Class of 2024. The latter has been another consortium-driven opportunity that saw a joint team of over 400 universities from over 100 nations across the world demonstrate their diverse capacities in support of the United Nations Sustainable Development Goals agenda. I congratulate the MKU students who are the Millennium Fellowship Class of 2024.

In conclusion, and also very important, congratulations to the graduands, their parents and guardians. To the graduands; you are well trained to compete globally and you shall effectively offer your services anywhere in the world. Many of you graduating today are from different countries and located far away from Mount Kenya University and you will all be able to serve in those countries effectively. I wish you success in your lives.

Message From

THE CHAIRMAN, UNIVERSITY COUNCIL

DR. VINCENT GAITHO, PhD
Chairman University Council, MKU

Today, we are celebrating a significant milestone in the lives of the graduands. We honour and pay tribute to the parents, guardians and all stakeholder of Mount Kenya University (MKU). As we reflect on the journey that has brought us this far and the role MKU has played in shaping the graduating Class of December 2024, we can only be hopeful and assured of the future of generations to come.

Setting MKU – a global hub of excellence

The theme of this graduation ceremony; *Internationalization of University Education towards Development of a Competitive Global Workforce* resonates well with MKU's commitment of internationalization of university education which is pivotal in developing a competitive global workforce. MKU is focused to equipping students with skills, knowledge and unlocking their competences to fit well in the contemporary competitive and demand-driven world.

The University Council continues to support the development and implementation of policies that promote excellence in education, research and innovation in order to enable our graduates fit in the global workplace. Our alumni network of more than 130,000 has positively contributed to the global stage in various fields, therefore confirming the University's role in nurturing a workforce that transcends borders.

To achieve this milestone, MKU Council has supported and approved various partnerships, collaborations and linkages that enhance staff and students exchange Programmes as well as joint research projects. These collaborations expose students to diverse cultures that boost global perspectives, and preparedness in addressing complex global challenges in today's interconnected world.

The University Council has committed to enhance accessibility and inclusion on the principle of education as an equalizer. Deliberate efforts are cheered on in order to make university education more accessible and affordable for all. Henceforth, MKU seeks to contribute to a more inclusive society that helps to build a diverse workforce that can drive innovation and economic growth.

Further, MKU Council appreciates the support by the Board of Directors for the continued priority and investment in the internationalization of education through innovative learning platforms and enhancement of the quality of education through acquisition of modern technology and equipment to produce global leaders in their specializations.

Congratulations

Congratulations to the Class of 2024! May your journey ahead be filled with success and fulfillment. Carry forward the values and knowledge imparted by Mount Kenya University. Be ambassadors of the university's vision of internationalization and contribute to the development of a competitive global workforce. Let us embrace this journey towards internationalization, fostering a generation of graduates who are globally competent, innovative, and ready to contribute to a competitive global workforce. Together, we can make a difference and continue to uphold the legacy of excellence that MKU stands for.

Message From THE VICE-CHANCELLOR

PROF. DEOGRATIUS JAGANYI,
PhD, MSc, DIC, MRSC
Vice-Chancellor, MKU

Iwish to welcome you to the 26th Graduation ceremony of Mount Kenya University (MKU). It is my great pleasure to proudly congratulate all the graduands for completing their studies successfully. This achievement is the culmination of synergetic efforts, dedication and resilience by not only our graduands but also by all our stakeholders within and outside the University. To this end, I acknowledge with appreciation the support accorded to the graduands by parents, guardians, and staff among others during their studies.

Student Matters

The University has continued to strive in enrolling students for various academic programmes. In the current semester/trimester of September - December 2024, the University registered a total of 60,721 students. This is the highest enrollment that the university has ever achieved. MKU students continue to participate and excel in co-curricular activities. Students participated

in numerous events, including: The 96th Kenya National Music festivals where MKU was ranked the Top in the Universities Category; The University rugby team at the Kenya rugby 7s – winning the Dala Seven series; and Nurturing our MKUSA leaders through benchmarking visit to Makerere University Business School (MUBS) in Uganda,

Academic Programmes

MKU has continued to align, review and revamp her curricular across all programmes offered to address emerging trends and the market demands. During the September – December 2024 period, the University Council approved and supported a total of six (6) programmes; three (3) programmes from each of the schools of: Business and Economics and Engineering, Energy and The Built Environment.

Research and Innovation

The importance of academic discourse to allow exchange of ideas, dissemination of research findings and innovation cannot be overemphasized. The University organized the second Research and Innovation week during which various symposia were organized by different schools. Increased research and innovation output requires heavy investment of financial resources. The Vice-Chancellor's Research & Innovation Grant this year has funded eight (8) research teams led by faculty members selected through a competitive process. Each team will be awarded Kshs 1.8 million as a seed grant for their research. Each team is expected to support the training of a postgraduate student at the project level.

Quality Assurance

The University has embarked on a journey towards integrating two internationally recognized standards—ISO 9001:2015 for Quality Management, and ISO 27001:2022 for Information Security Management. The specific justifications of university embracing **Integrated Management System** are threefold: preservation of confidentiality, integrity, and availability of University information; compliance with the legal requirements concerning data privacy and protection, as outlined in the Data Privacy and Protection Act of 2019; and to apply a robust risk management process, ensuring that all information risks are adequately managed, thereby giving confidence to our stakeholders.

As part of Mount Kenya University's Research and Innovation week, an exciting Hackathon event was underway, offering students and staff the opportunity to explore the latest advancements in technology, particularly in Artificial Intelligence (AI). The hackathon event brought together tech-savvy students and staff engaging them

in hands-on sessions, exploring key trends in AI technology and its practical application in various fields.

Some of the exciting topics covered at the Hackathon are:

- Advancements in language models such as ChatGPT and Bard, which are transforming how we interact with AI.

- AI-generated images using platforms like DALL-E and Mid-Journey, enabling creative projects and visual innovation.
- Code generation, showcasing how AI can assist in software development

THE 2ND COHORT OF NURSING APPRENTICES ARRIVES IN GERMANY

The first cohort of the SSTEa research project, a collaborative research project and an initiative involving the University of Applied Sciences Koblenz, Germany Mount Kenya University (MKU), and AG-Career Hub, arrived in Germany on April 3rd, 2024. The second cohort of nursing apprentices from Kenya arrived on 28th of September 2024 and joined the programme, continuing the momentum of the cross-cultural exchange.

Training in Germany – a new partner has joined the partnership and the BBT-Group, has expanded their collaboration by onboarding a second institution, Krankenhaus Taubertschheim, to host nursing apprentices. This reflects our shared commitment to provide enriching learning experiences for apprentices, allowing them to gain valuable hands-on training in different healthcare environments.

Key Lessons

Since the arrival of the first cohort, valuable insights into what contribute to a successful integration and professional experience for the apprentices have been gained. A key factor in the programme's success has been the exceptional support from employers. The apprentices at Caritas-Krankenhaus Bad Mergentheim have benefited greatly from this strong backing. The employers have played a vital role in ensuring a smooth transition for the apprentices by actively engaging in their integration into both the workplace and German society. This support includes fostering strong interactions with the hospital staff and creating an inclusive and collaborative work environment.

2nd cohort of the MKU Nursing apprentices in Germany.

Another crucial aspect is the cultural openness. The apprentices have willingness to integrate into the German culture as adaptability has been a key factor in their success. They were well-prepared through German language courses and the intercultural preparation course at MKU and they embraced the new culture with an open mind, which has accelerated their ability to adjust and thrive in a foreign environment.

Mentorship

A unique advantage of this programme is the mentorship system that has organically developed. The apprentices from the first cohort are now taking on the role of peer mentors for the incoming cohorts. The first group can offer practical advice, share their own experiences, and provide emotional support to help the new arrivals navigate challenges such as language barriers, cultural differences, and adapting to the healthcare system in Germany.

Ongoing Language and Cultural Training

The students' foundation in the German language continues to be a critical element in their integration. The language training provided at Mount Kenya University not

only equips the apprentices with the language skills needed for their work but also allows them to connect with their colleagues and patients more effectively. Along with language training and intercultural preparation helped the students understand German norms, traditions, and expectations, which further enhances their ability to integrate smoothly.

Looking Ahead

The SSTEa project continues to be a major milestone in fostering international cooperation in healthcare. The programme's long-term impact is becoming more apparent. The engagement and dedication from the partners in Germany and in Kenya remain instrumental in providing ongoing support, career guidance, and mentorship, ensuring that the apprentices' transition to live and work in Germany remains as smooth as possible.

As we look to the future, the third cohort has already started their preparation in Kenya, marking another exciting chapter in this programme. This exchange will continue to thrive and expand, benefiting both the students and the healthcare institutions involved.

VARSITY CELEBRATES INTERNATIONAL WHITE CANE DAY

Mount Kenya University (MKU Main Campus, Thika) joined the world in celebrating International White Cane Day that is usually celebrated every year on 15th October. This is an international

event that highlights the importance of the white cane as a tool of independence for people who are visually impaired. It symbolizes their right to move freely, safely and confidently in society.

MKU STUDENTS BAG GLOBAL AND REGIONAL INNOVATION AWARDS

Esbon Ogetto and Bettinah Maruti showcase their innovation to the President William Ruto during the Kenya National Innovation Week 2024

victorious, securing the top spot in the competition. As the winners, they received an award of 100,000 Pakistan Rupees and an opportunity to present their innovation at a global stage in Pakistan in December 2024 for a chance to win a grand prize of 1,000,000 Pakistan Rupees.

“As finalists in three more pending international innovation contests, we are now more energised to put our best foot forward,” says Esbon Ogetto.

Two students, Bettina Maruti and Esbon Ogetto were recently named the overall winners of Zindigi Prize, sponsored by Zindigi JS Bank in Pakistan, after beating 38 start-ups from six institutions. In a colourful event at St. Paul's University, Limuru the duo pitched their start-up Nanaheal Enterprises which is repurposing pineapple waste into a bio-fertilizer that sequesters carbon from the atmosphere, increasing farm productivity while creating jobs especially for women and youth.

The event brought together innovative minds from MKU, JKUAT, University of Nairobi, African Nazarene University, KCA, and St. Paul's University who pitched their innovations to a panel of judges and industry players.

After rounds of pitch presentations, NanaHeal Enterprise, currently under the University's Innovation and Incubation Centre emerged

CELEBRATING 5 YEARS OF THE ROADSTAR WORK-STUDY PROJECT FOR MOUNT KENYA UNIVERSITY STUDENTS

Victoria Vas, CEO Roadstar Incorporation

As Mount Kenya University (MKU) celebrates the graduation of the class of December 2024 under the theme “Internationalization of University Education towards Development of a Competitive Global Workforce,” it is also a moment to reflect on the lasting impact of the Roadstar Work-Study Project, a partnership that has contributed significantly to the development of a global workforce over the past five years.

Since its inception in December 2019, the Roadstar Work-Study Project has been a key element in MKU’s strategy to provide students with international exposure and practical experience in the logistics industry, particularly in the USA. This collaboration has not only helped students bridge the gap between academic learning and real-world applications but also equipped them with skills and knowledge that are critical for navigating a competitive global job market.

Overview of the Roadstar Work-Study Project

Starting with just 8 students, the project has grown steadily over the years. Despite the challenges presented by the COVID-19 pandemic, the program continued uninterrupted, adapting to new challenges and expanding its reach. Today, 70 students work for Roadstar each month, gaining valuable experience in various aspects of logistics and management, with an average salary of Ksh 40,000. This growth is a testament to the program’s effectiveness in fostering skills that align with international industry standards.

Areas of Work-Study

Call Center Operator

Students in this role are involved in maintaining Electronic Logbooks (ELDs) for drivers in the USA trucking industry. The logbooks play a critical role in tracking working hours and ensuring compliance with government regulations, contributing to the smooth operation of the logistics sector in North America.

Monitoring Operator

The Monitoring Operator role focuses on ensuring that truck drivers adhere to the “Hours of Service” regulations set by the USA government. By monitoring drivers’ working hours, students help prevent violations and promote safe driving practices, directly contributing to the global transportation industry’s regulatory compliance.

TMS Platform

Working with the Time Management System (TMS), which is widely used in the USA, students gain hands-on experience in an essential aspect of logistics. This system plays a vital role in streamlining operations, and the experience gained by students positions them for success in global logistics companies.

Office and Personnel Manager

In this leadership capacity, students learn how to manage teams, oversee operations, and maintain the fiscal health of a business unit. This role helps students develop critical leadership and management skills, such as accountability, decision-making, and team building, all of which are essential for any global workforce.

Aligning with the Theme of Internationalization and Global Workforce Development

The Roadstar Work-Study Project is a prime example of how Mount Kenya University is working towards the internationalization of education. By providing students with international exposure and experience in a global industry, the program is fostering the development of a competitive global workforce that is prepared to take on the challenges and opportunities of a dynamic and interconnected world.

The skills and knowledge that students gain through this program are not only relevant to the logistics industry but also provide a foundation for success in any

international career. The experience allows MKU students to enter the global workforce with confidence, knowing they have the training and practical skills to excel in diverse environments.

A Bright Future Ahead

As MKU celebrates the graduation of the class of 2024, it also celebrates the continued success of the Roadstar Work-Study Project. This collaboration has contributed to shaping the future of students by providing them with the

international exposure and practical experience needed to thrive in a competitive global workforce.

We congratulate the graduates of December 2024, many of whom have benefited from the Roadstar Work-Study Project, and express our gratitude to Roadstar Inc. for their commitment to nurturing the next generation of global leaders in logistics and management. The success of this partnership stands as a beacon of the university's mission to provide an internationally

recognized education that meets the demands of a competitive global workforce.

Through initiatives like the Roadstar Work-Study Project, MKU is creating pathways for its students to engage with the world, gain essential skills, and emerge as leaders in the global arena. The future is bright for these graduates, and their journey is a testament to the power of internationalization in higher education.

MKU SCHOOL GETS NOD FOR UK FOREIGN QUALIFICATION

Mount Kenya university medical school has been granted recognition by the prestigious General Medical Council (GMC), opening doors in the United Kingdom for doctors from the institution.

The GMC is the independent regulator of doctors in the UK. It assesses training programme for foreign doctors before they are allowed to sit the Professional and Linguistics Assessments Board (PLAB) examinations and for them to be allowed to practice in Britain.

The GMC sets the standards that doctors and their trainers must meet.

2024 Graduanand's Testimonial

DAVID KIPRUTO

I am eternally grateful to Mount Kenya University (MKU) for the invaluable opportunities and unwavering support that have shaped my life and career. As I reflect on my journey, I take immense pride for graduating with Bachelor of Counselling Psychology of MKU.

As a medical social worker at Narok County and the NATIONAL TREASURER of the Kenya Medical Social Workers Association, I can truly appreciate the profound impact that MKU has had on my professional growth.

During my time at MKU, I was not only equipped with academic knowledge but also nurtured with values such as compassion, empathy, and dedication to service. The faculty members at MKU went above and beyond their roles as educators—they became mentors who believed in my potential and guided me every step of the way.

The university's emphasis on practical experience proved to be instrumental in my journey. Through internships and placements arranged by MKU, I gained hands-on experience working alongside seasoned professionals in clinics and hospitals. These opportunities allowed me to apply the theoretical knowledge I had acquired in real-world settings, shaping me into a competent and compassionate medical social worker.

MKU's commitment to holistic education extended beyond the classroom walls. The university provided various resources, including a well-equipped library, research facilities, and career counseling services. These resources empowered me to explore my interests, conduct meaningful research, and pave the way for my future endeavors.

Additionally, the supportive community at MKU played a crucial role in my personal and professional development. I connected with like-

minded students and passionate faculty members who inspired me to strive for excellence. The sense of camaraderie fostered at MKU gave me the confidence to embrace new challenges and push beyond my limits.

Today, as a medical social worker at Narok County, I have the privilege of serving individuals in need and making a positive impact on their lives. This journey would not have been possible without the solid foundation provided by MKU. The university not only equipped me with the necessary skills but also instilled in me a deep sense of purpose and a commitment to making a difference.

Furthermore, as the National Treasurer of the Kenya Medical Social Workers Association, I am grateful for the leadership, networking, and advocacy skills that were cultivated during my time at MKU. The university's focus on producing well-rounded professionals has positioned me to contribute meaningfully to the field and advocate for the rights and well-being of vulnerable populations.

In conclusion, I extend my heartfelt appreciation to Mount Kenya University for being a catalyst in my personal and professional growth. The education, experiences, and values instilled in me during my time at MKU continue to shape and guide me in my career as a medical social worker. I am proud to be an alumnus of MKU and will always remain grateful for the transformative impact it has had on my life and the lives of those whom I serve.

"Today, as a medical social worker at Narok County, I have the privilege of serving individuals in need and making a positive impact on their lives. This journey wouldn't have been possible without the solid foundation provided by MKU."

EKAI SAMWEL LOOLEL

Ekai Samwel Loolel (left) in Beijing Institute of Technology in China.

I am an alumnus of Mount Kenya University in the School of Business and Economics, and I graduated in the year 2022, with Second Class Honours, Upper Division. It was great to study, and be guided by every moment of up and down during my life at the university. It was indeed, a lifetime lesson, and opportunity.

Thus, I am today privileged to write this message to the MKU management, and all alumni informing that, after myriads of

interviews, and being the only Kenyan student selected for SCS scholarship (China Scholarship Council-Youth of Excellence Scholarship Scheme Program) for postgraduate studies in the School of Global Governance, major in International Migration Law at Beijing Institute of Technology in China, that I am honored to be proud of this lifetime opportunity. I attribute this lifetime achievement to MKU fraternity!

Secondly, much appreciation goes to great cooperation between Kenya and China in achieving many

milestones both politically, and economically in their partnership coexistence as they dive into the future of Global Governance.

In this regard, I raise the flag of Kenya high, and drum our MOTTO "Unlocking Infinite Possibilities" to the greatest heights, so as to champion the great collaborations and achievements we've made as a University since its inception.

Without further ado, I would like to congratulate all of you for the great achievements you've made, with tireless efforts, and ensuring we are agents of change we deserve as a University of excellence, congratulations! We need to change the society, provide solutions to our existing global challenges, better the lives of our communities and strengthen our coexistence for the better generations after us. Yes, We Can!

PhD Graduands 2024

Racheal Wanjiku Kimani
PHDMLS/2019/55541

The Ph.D. journey was intense, challenging, and deeply rewarding. The processes and rigor involved demanded resilience and discipline. I am grateful to my supervisors and mentors at CGSR and senior researchers for their guidance. Their emphasis on prioritization of important tasks, a yearn for quality work, hard work, thoroughness, excellence, and a reading culture greatly influenced me. This journey

profoundly impacted my intellectual abilities, outlook, work ethics, and career path. I also appreciate the support from the Directorate of Graduate Studies staff and the Medical Laboratory Department. For aspiring Ph.D. candidates, this journey is a transformative and invaluable experience.

Julius Moenga Matai -
PhDBAM/2014/68715

I am humbled to appreciate the immeasurable contributions of my supervisors: who stood by my side

holding my hands and patiently walked with me through the rough academic terrain to completion of my scholarly doctoral thesis. May the good Lord reward them hundredfold. I owe a debt of gratitude to Mount Kenya University management for the support they gave me throughout my academic journey. I particularly thank the Dean, School of Business and Economics and a host of others in the value chain who made this period not only memorable but also useful learning and lasting experience. It is gratifying to note that my completion of this Doctoral program has inspired me to disregard the status quo and pursue for more academic excellence in future. For those who will wish to pursue this program, I encourage them to be persistent and keep in touch with their supervisors all the time.

Moriasi Gari - PHDED/2019/51305

I want to share with you my experience in the university during my 3 years of stay. I really enjoyed working with you i.e. personal supervisor, teaching staff and supporting staff. The entire university staff was very interactive, social and accommodative. We walked through the journey with less road blocks it was really an interesting experience. The college management especially the faculty of education and graduate school provided great support. My research will play or contribute greatly in education cycles as far knowledge is concerned. I urge most students to enroll in this fast world class university equivalent to Harvard University.

**Elicanah M. Mosiori –
PHDED/2015/25483**

Earning my PhD at Mount Kenya University has been a truly transformative journey that has not only sharpened my expertise but deepened my dedication to making a real impact. The university's high standards and the unwavering guidance of its faculty pushed me to grow, stage by stage, from proposal to defense—each step building my confidence and skills.

With the university's support, I was empowered to contribute meaningfully to my field, gaining the resilience and insight needed to drive change. To those on this journey, stay strong—each challenge brings you closer to success. I am filled with excitement to make a lasting difference.

**Esther Waruguru Muchiri –
PHDED/2013/45504**

My dream Title “DR’ has come true, not on a silver platter. It has been a journey of winners don't quit otherwise there were all reasons to quit. The input in terms of time energy and resources called for undivided, unwavering and intentional focus. Thanks to the university management for according an enabling environment to achieve this dream enabling me add to the body of knowledge through research. I aspire to pursue research in the area of Educational Psychology and mentor University students. For those in the process cheer up, with God it is doable. I am a testimony.

**Christine Kamba Malebe -
PHDED/2015/32120**

The PhD journey might have been long and challenging especially when juggling multiple responsibilities and

chasing after dreams all at once. Pursuing this doctorate degree has been profound in personal and professional growth in my career. This challenging, life-changing and rigorous academic journey would not have been possible without the support and encouragement from the MKU management. The task of completing the journey seemed overwhelming but due to the dedication, immense source of inspiration, valuable guidance as well as unconditional support of my supervisors made me achieve my academic aspirations. The skills acquired will not only shape my future scholarly undertakings but also instrumental in mentoring others.

**Mary Musembi –
PHDNS/2019/58228**

Although the path has been too hot to walk through, The process was simple, friendly and well-coordinated. This motivated me to move on with my studies despite difficult times experienced. The staff both teaching and non-teaching are dedicated and ready to help students solve their issues. I got massive support from my two supervisors, school of Nursing as well as postgraduate school. I envy and appreciate such spirit of work. I interacted well most of staff and received respectful communication throughout right from development of my proposal to the end (thesis). This was evidenced during the periods where guidance to do corrections made. To my fellow students MKU is the right place

where students are given conducive environment and space to learn, subject to student works hard, and maintains the due discipline. According to my observation MKU is the place where students usually take the exact duration of training allocated. Therefore, dedicate your time in your studies and good times shall follow you.

**Elsie Njambi Nyaga -

Mount Kenya University has shaped my academic journey in profound ways, laying a strong foundation for my continuous learning and growth in the realm of Education Administration. Support from the University Management, staff and my Supervisors was instrumental in my pursuit of Doctorate in Education. Gaining a PhD will not only enhance my academic credentials but also open up numerous opportunities for me in my career. I highly encourage those embarking on such an exciting academic journey at Mount Kenya University to feel reassured that you are in capable hands. Stay focused, motivated, and proactive in pursuing your academic goals.

**Peterson Kariuki Kimani -
PHDPH/2021/40657**

Completing my PhD in Public Health at Mount Kenya University at 32 has been a transformative journey. The rigorous processes challenged me to grow academically and personally. My research on the role of female partners in promoting prostate cancer screening among men aims to make a meaningful contribution to public health. I am deeply grateful for the unwavering support from the university management, my supervisors, and faculty who guided me every step. My family, friends, and mentors were pillars of strength throughout this journey. As I look forward to future endeavors, I encourage those still in the process to stay persistent the reward is worth the effort.

**Tobias Mbeya Omufwoko -
PHDPH/2017/67527**

It has been a very long and treacherous journey for me, but with great support system from the Dean, my supervisors, non-teaching staff, and my persistence and resilience, I am happy to attain my PhD this season. In the face of working a very busy NGO and in an environment that required travel, from place to place at short intervals and sometimes for long periods. I thought that since I am working on a subject that I know so well and implement in the field, it would just be a walk in the park – forgetting that this wasn't programming but scholarly work and contributing to the body of knowledge. All in all, MKU has some solid and very fine and dedicated teaching and non-teaching staff that one can literary count on for support.

My future prospects: God willing, I am looking forward to diversifying my career.

I want to encourage those in this process to never give up, listen to your supervisors very keenly and always avail yourself when required. Also do your part of putting in your level of efforts, because the support will come to you depending on your level of commitment. Also have quality friends, with whom you can encourage each other – like my friend, Elijah Mbiti, who kept checking on me, even after he graduated ahead of me. Last, but not most, look to God, for your current and future status.

**Mary Wangui Mwangi –
PHDMLS/2019/52200**

Pursuing my PhD at Mount Kenya University has been a journey of growth and rigor. The structured processes and high standards have refined my research abilities and deepened my expertise. The support from the faculty and university management has been exceptional, offering guidance and resources critical to achieving my academic milestones. My research contributions to the field feel meaningful, and I look forward to expanding on this foundation in my future career. To fellow scholars, remember that persistence and resilience are key—each challenge is an opportunity to grow closer to your goals.

Mount Kigali University, Rwanda

THE VICE-CHANCELLOR

DR. MARTIN KIMEMIA GATHIRU, PHD.
Vice-Chancellor,
Mount Kigali University

It is with immense pride and joy that we gather to celebrate the 26th graduation ceremony. Today, we honor the accomplishments of the Class of 2024 and the unwavering commitment, sacrifice, and resilience that brought you to this pivotal moment. To our esteemed graduands, this day is a testament to your determination and a milestone that reflects years of hard work. We also appreciate your families, friends, and our dedicated faculty and staff.

Graduation is the opening of a new chapter filled with opportunities and challenges. The knowledge, skills, and experiences you have gained at the university are a powerful foundation as you enter the next stage of your lives. As you step forward, we encourage you to carry

with you a spirit of curiosity, integrity, and commitment to positive change. Let your accomplishments inspire you to continue learning, lead with purpose, and inspire others.

Mount Kigali University is committed to providing an environment that not only nurtures academic excellence but also fosters innovation and industry readiness. In line with this vision, we are thrilled to announce several exciting developments that will enrich the university experience for future students. We are constructing a *“Future Block for Learning”*, which will be home to state-of-the-art classrooms, advanced laboratories, and collaborative spaces. This modern facility will enhance the learning environment and help Mount Kigali University remain a leader in higher education within the region.

The university has partnered with *Kigali Paramount Hotel* to establish a premier hospitality training centre. This initiative will provide students in hospitality and tourism programmes with hands-on experience in a professional setting, preparing them to excel in their careers with practical skills and industry insights.

The expansion and renovation of *Royal FM building* will create upgraded facilities for the communication and media studies students, featuring advanced equipment for broadcasting, journalism, and digital media studies.

In addition, investment in *Dental Technology and Therapy* programmes, with specialized equipment and resources, reaffirms our commitment to meeting the growing demand for skilled professionals in dental health. Through these facilities, our students will gain the highest level of training and hands-on experience in this critical field.

At Mount Kigali University, we are committed to excellence in education and dedicated to aligning our programmes with industry needs. Our focus on industry-relevant education and our partnerships with leading organizations ensure that graduates are equipped with the skills and competencies needed to thrive in their careers. A strong emphasis on research and innovation, encourages students and faculty to push the boundaries of knowledge and contribute to solving real-world challenges.

As you leave the halls of MKU with the skills, values, and experiences you have acquired, you are equipped to make a difference, whether you choose to advance your education, pursue new ventures, or join others in meaningful work. You are a part of the MKU family, and we are proud to have been part of your journey.

Congratulations to the Class of 2024.

HOSPITALITY AND TOURISM TRAINING AND EMPLOYMENT OPPORTUNITIES EXPANDED IN THE REGION: KIGALI PARAMOUNT HOTEL, RWANDA

Located in the Republic of Rwanda, in the upmarket area of Kigali, Kagarama in Kicukiro District, next to

Mount Kigali University (MKU) and DMC Hospital along KK28 Avenue towards Bugesera and the new airport, Kigali Paramount Hotel is an upcoming high-end luxury hotel set to open in early 2025. Modelled after leading Swiss and American hotel schools, it will be the first in the Great Lakes region to deliver an exceptional guest experience, focusing on training, innovation, quality, and customer satisfaction. The hotel will enhance MKU's contribution to the growth of the hospitality and tourism sector through hands-on training

in Rwanda and create employment opportunities for diverse communities including staff and students exchange in the region.

The hotel has a capacity of 45 rooms, including a luxurious penthouse with a panoramic view, junior suites with kitchenettes, deluxe superior rooms with Jacuzzis, standard rooms, and twin rooms.

Additionally, it offers state-of-the-art conference rooms, modern fine dining restaurants, coffee shops, a well-equipped fitness centre, and a spa with a sauna, steam bath, and massage services, as well as a swimming pool, 24/7 concierge services, and high-speed Wi-Fi.

THE PHARMACIST'S OATH

I,.....

Reg. No. Do hereby swear that:

- I will practise my profession of pharmacy with conscience to uphold its dignity and honour; holding myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.
- I will actively search for and disseminate new skills and knowledge of the profession and related disciplines; accepting the lifelong obligation to improve my professional knowledge and competence.
- I will use my knowledge, experience and skills to the best of my ability to ensure optimal outcomes for the patients and to relieve human suffering in sickness and illness while maintaining the welfare of Humanity.
- I will consult, co-operate with, and seek counsel from fellow Pharmacists and other health Professionals.
- I will practise the profession without prejudice while embracing and advocating changes that improve patient care.
- I will not distribute or promote the use of substances in a manner that is harmful to humanity.
- I will abide by the rules and regulations governing the practice of pharmacy including the objectives of the Code of Ethics of Pharmacy Practice in Kenya and pledge to assist in their enforcement and promotion.
- I will respect and protect all personal and health information, keeping all secrets I learn and as entrusted to me in the course of my professional duties.
- I make these solemn promises freely and upon my honour with the full realization of the responsibility with which I am entrusted by the public and society.

HIPPOCRATIC OATH - School of Clinical Medicine

I,.....

Reg. No. swear to fulfill, to the best of my ability and judgement, this covenant: I will respect the hard-won scientific gain of those physicians in whose steps I walk, and gladly share such knowledge as is mine with those who are to follow. I will apply, for the benefit of the sick, all measures that are required, avoiding those twin traps overtreatment and therapeutic nihilism. I will remember that there is art to medicine as well as science, and that warmth, sympathy and understanding may outweigh the surgeon's knife or the chemist's drug.

I will not be ashamed to say "I know not," nor will I fail to call in my colleagues when the skills of another are needed for a patient's recovery.

I will respect the privacy of my patients; their problems disclosed to me that the world may not know. Most especially must I tread with care in matters of life and death. If it is given to me to save a life, all thanks. But it may also be within my power to take a life: this awesome responsibility must be faced with great humbleness and awareness of my own frailty. "Above all, I must not play at God".

I will remember that I do not treat a fever chart, a cancerous growth, but a sick human being, whose illness may affect the person's family and economic stability. My responsibilities include these related problem, if I am to care adequately for the sick.

I will prevent disease whenever I can; bearing in mind prevention is preferable to cure.

I will remember that I remain a member of society, with special obligations to all my fellow human beings, those of sound mind and body as well as the infirm.

If I don't violate this oath, may I enjoy life, be respected while I live and remembered with affection thereafter. May I always act so as to preserve the finest traditions of my calling, and may I long to experience the joy of healing those who seek my help

So Help Me God!

Mwai KIBAKI CONVENTION CENTRE SEMINAR ROOMS

The Mwai Kibaki Convention Centre has a capacity of 2000 people accommodated in three deck levels. It also has seminar rooms, offices and utility areas. It is designed to be used as a Convention Centre to serve a variety of purposes such as staging of plays, music, presentations, speeches etc. The design concept is a timeless shell where ideas and innovations are enveloped. The structure also rises gradually from a focal point of knowledge and graduates dynamically towards new inventions. The science behind the structure has taken into consideration high level of acoustics and design of detailed sight lines to ensure an all-inclusive audience participation. Whereas there is use of local materials, there is also incorporation of modern materials to ensure the audience enjoy best ambience.
