UNIVERSITY GOVERNANCE:

Prof. Simon Gicharu, CBS
Founder & Chairman,
Board of Directors

“Our concept at Mount Kenya University is to create job Creators but not job seekers, we have done it before and we will continue doing it”

-Simon Gicharu-

Chairman, Board of Directors

Nearly two decades ago, Prof. Simon Gicharu was undertaking a postgraduate course at Cranfield University, UK, when he noticed the high number of students from Africa who travelled overseas in pursuit of higher education. A teacher by profession, he was motivated to provide a homegrown solution that would eliminate the need for young people to travel overseas, where they often faced numerous challenges. Once back in Kenya, Prof. Gicharu, who also holds a Bachelors Degree in Education-Science from Kenyatta University, partnered with a local church to offer computer classes using diesel-powered generators. The classes formally evolved to Thika School of Management Studies in 2003, and later Thika Institute of Technology (TIT). By then, he had diversified training to include Business, Management, Pharmacy and Medical Laboratory courses. In 2006, TIT entered into collaboration with Jomo Kenyatta University of Agriculture and Technology to offer Diploma and Degree programmes. Two years later, the college was granted a Letter of Interim Authority by the Commission for Higher Education (now known as Commission for University Education) to become Mount Kenya University (MKU). In January, 2011, MKU was awarded a Charter.

Thanks to his contribution to the higher education sector in Eastern Africa, Prof. Gicharu has received several accolades. They include induction into the 2015 World Entrepreneur of the Year Hall of Fame, Ernst & Young Eastern Africa Entrepreneur of the Year, awarded Honorary Doctor of Science by Gulu University and Chief of the Order of the Burning Spear, the highest award a civilian can receive in Kenya from the Head of State. Prof. Gicharu is also the Chairman of the Rural Electrification Authority, a government parastatal. Prof. Gicharu is also a mentor to many young people. He is the national patron of the Inter-Universities Rover Moot, under the Kenya National Scouts Association.

Mount Kenya University Founder and Chairman, Board of Directors was awarded honorary professorship in Business and Entrepreneurship by the International University of Management (IUM) in Windhoek, Namibia during their 12th graduation ceremony on 27th September, 2016. **Prof. Gicharu dedicated this award to all the students in private institutions.**

Hippocratic Oath of a Pharmacist

I vow to devote my professional life to the service of all humanity through the profession of Pharmacy.

I will practice my profession of Pharmacy with conscience to uphold its dignity and honour.

I will search and disseminate new skills and knowledge of the profession and related disciplines.

I will use my knowledge and skills to the best of my ability to relieve human suffering in sickness and illness and maintain the welfare of humanity.

I will consult, co-operate with and seek counsel from fellow pharmacists and other health practitioners.

I will practise the profession without prejudice.

I will seek justice in the allocation and distribution of healthcare resources.

I will not distribute or promote the use of substances in a manner that is harmful to humanity.

I will abide by the rules and regulations governing the practice of Pharmacy and pledge to assist in their enforcement.

I will respect and keep all secrets that I learn in in the course of my professional duties

I make these solemn promises voluntarily and upon my honour.

So help me God!

.....
Signed, Pharmacy Graduate

Signed, Dean

Hippocratic Oath – Modern Version

I swear to fulfill, to the best of my ability and judgment, this covenant:

I will respect the hard-won scientific gains of those physicians in whose steps I walk, and gladly share such knowledge as is mine with those who are to follow.

I will apply, for the benefit of the sick, all measures which are required, avoiding those twin traps of over-treatment and therapeutic nihilism.

I will remember that there is art to medicine as well as science, and that warmth, sympathy, and understanding may outweigh the surgeon's knife or the chemist's drug.

I will not be ashamed to say "I know not" nor will I fail to call in my colleagues when the skills of another are needed for a patient's recovery.

I will respect the privacy of my patients, for their problems are not disclosed to me that the world may know. Most especially must I tread with care in matters of life and death.

If it is given me to save a life, all thanks. But it may also be within my power to take a life; this awesome responsibility must be faced with great humbleness and awareness of my own frailty. Above all, I must not play at God.

I will remember that I do not treat a fever chart, a cancerous growth, but a sick human being, whose illness may affect the person's family and economic stability. My responsibility includes these related problems, if I am to care adequately for the sick.

I will prevent disease whenever I can, for prevention is preferable to cure.

I will remember that I remain a member of society, with special obligations to all my fellow human beings, those sound of mind and body as well as the infirm.

If I do not violate this oath, may I enjoy life and art, respected while I live and remembered with affection thereafter. May I always act so as to preserve the finest traditions of my calling and may I long experience the joy of healing those who seek my help.

The Veterinary Para-Professional's Oath

I

being admitted as a veterinary Para-Professional, solemnly swear/affirm that I shall dedicate myself to aiding society by providing excellent care and services for animals to alleviate animal suffering, and to promoting public health.

I accept my obligation to practise my profession conscientiously and with sensitivity, adhering to the profession's Code of Ethics, and furthering my knowledge and competence through a commitment to lifelong learning.

SO HELP ME GOD

I will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

I will not permit consideration of religion, nationality, race or social standing to intervene between my duty and my patient.

I will be loyal to my work and devoted towards the welfare of those committed to my care.

MISSION:

TO IDENTIFY, NURTURE AND MATURE YOUTHFUL GRADUATE ENTREPRENEURS ACROSS AFRICA.

Mount Kenya University's graduate enterprise academy (GEA) was instituted in 2013 as a community outreach platform whose activities are primarily geared towards youth empowerment and edification through entrepreneurial and leadership oriented training. The impact of gea has been phenomenal. This owes to two main reasons among others; namely, one, the carefully selected and highly potent training which is blended from amongst relevant and renowned programs derived from across the globe; and two, the fact that it is offered by a team of well qualified and experienced practitioners and professors.

The GEA program at MKU has gone through progressive evolutionally changes since inception which have been informed by the community dynamics as well as viability options. So far, two cohorts have been commissioned whose beneficiaries are running their businesses across the country. As a business accelerator, gea embraces the public – private partnerships strategy to ensure a quad – helix model. Exhibitions, face – to – face and digital mentoring, networking and monitoring and evaluations are key hallmarks of the gea strategic operations.
