Chief Guest

SPEAKER OF THE NATIONAL ASSEMBLY

THE RT. HON. (SEN) (DR.) MOSES F.M. WETANGULA, EGH, MP

Speaker of the National Assembly

I am honoured to serve as the Chief Guest at the 23rd Graduation Ceremony of Mount Kenya University. This is a golden opportunity to celebrate the victory of the graduands who are moving to the next phase of their lives in utilizing their acquired knowledge and skills to make positive contribution in the nation building. Therefore, I congratulate all graduands, parents/guardians, the University fraternity, and all other stakeholders for the hard work that has brought us together this far.

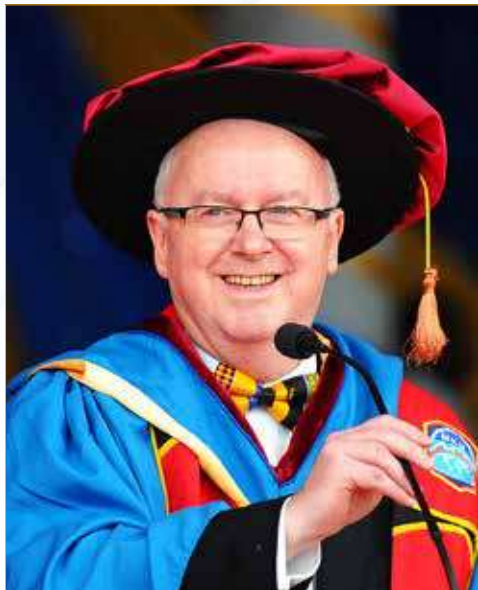

“Embracing Law, Science and Technology for Advancement of Climate Change Interventions” as the theme of today’s graduation ceremony is indeed, a timely input. Needless to say, Climate Change and the “greenhouse” interventions need a serious commitment because of the adverse disruptive effects to human ecosystems, operations, subsistence, wellness, and overall lifestyles. This then necessitates multi-faceted strategies and use of Science, Technology and Innovation in sustainable interventions as an obligation to all governments and

their agencies across the world, NGOs, institutions of higher learning, business community, professional bodies, and all other stakeholders working together. The rise in research on “greenhouse” effects/ climate change mitigation is a vital input by universities and research organisations for bridging the glaring policy gaps in environmental education, consumer behaviour, rewarding and sanctions systems, legislation and government/ organizational support in climate change mitigation.

Intergovernmental agreements/ treaties that have been signed over the years to globally support climate change mitigation include the Montreal (Canada - 1987) Protocol; the United Nations Framework Convention (1992); the Kyoto Protocol (2005); the Paris Agreement (2015); and the 2022 Conference in Egypt. Noting global occurrences such as the Greenland heating and ice loss, widespread droughts and flooding, we must all take responsibility. We need to support the clarion call by the President of the Republic of Kenya, His Excellency Dr William Ruto, of planting 15 billion trees by 2032. In fact, we can even make a living out of it. I wish you all success in your endeavours.

Message From THE CHANCELLOR

**PROF. JOHN J.M. STRUTHERS,
MA (Hons), MPhil, FRSA, FHEAS**
Chancellor, MKU

It is now over 5 years since I joined Mount Kenya University as the Chancellor; a period that has been characterized by abundant exchange of scholarly ideas and educational resources. This experience has expanded my knowledge on African continent, its people, their resilience, their rich cultural heritage and Pan-Africanism principles on which Mount Kenya University is founded.

Pan-Africanism virtues are reflected in the continuous achievements at Mount Kenya University in partnerships-based teaching, research, innovation and community engagement. Thus, a partnership-driven state-of-the-art malaria research laboratory or the Malaria Elimination Centre has been launched at Thika Campus supported

by Japan International Cooperation Agency (JICA). This Centre focuses on biomedical research in genomics and cell-biology techniques and its usage is open to researchers from Kenya, Africa and beyond. Likewise, African Center for Career Enhancement & Skills Support (ACCESS) project 2020-2024 has continued to bring together 7 partner universities of Leipzig (Germany), IGRIB (Benin), KNUST (Ghana), Ibadan (Nigeria), Tunis (Tunisia), INES (Rwanda), and MKU (Kenya) in contribution towards employment creation by African universities' graduates.

We also appreciate Vincent Pol University's (Poland) support to MKU and especially during the 8th International Inter-Universities & Inter-disciplinary Consortium (African) Conference (2023). Additionally, as a part of the close ties between MKU and University of The West of Scotland (UWS), a record of eight MKU staff members participated in the 7th Conference organised at UWS by the Center for African

Research on Enterprise and Economic Development (CAREED) where I serve as the Director. These participants have strongly contributed towards the debate on possible venue in Africa where the 8th CAREED Conference (2024) shall be hosted as the first time that CAREED Conference shall be hosted in Africa.

The partnership between MKU and Hochschule Bonn-Rhein-Sieg University of Applied Sciences (Germany) saw eight MKU students and 2 staff members visit Germany in May 2023 under the Erasmus Plus support. Also in February 2023, four members of Staff and 2 postgraduate students joined the University of Tartu network in Estonia (Europe) under Erasmus Plus support. These partnerships are only a sample of what has contributed towards attainment of a partnerships-driven visibility of Mount Kenya University.

Last and not least, I am happy to send my message of congratulations to MKU's 23rd Graduation Ceremony graduands for a job well done.

Asanteni sana!

Message From

THE CHAIRMAN, UNIVERSITY COUNCIL

PROF. DR. STEPHEN AGONG GAYA, PhD
Chairman University Council, MKU

On behalf of the University Council, I wish to appreciate the chief guest for gracing the 23rd graduation ceremony. I appreciate the Board of Directors for my appointment as the chairman, University Council. My appreciation is extended to the members of University Council and my predecessor, Prof. David Serem for the continued promotion of the growth of the University. I will support the university's strategic direction to achieve her Mission and Vision.

University Council Approvals

The university Council has continued with its unwavering support to the university and has approved various policies for efficient and effective service delivery.

1. Health Services Policy

The Policy will promote physical and mental well-being of students. The policy will help in addressing the common health issues and provide preventive care, early intervention, and treatment options.

2. Policy on Management of Chaplaincy

The policy will guide on support of various religious activities among the diverse religious groups.

3 Policy on Posthumous Awards and Conferment

This policy provides the procedure by which an academic award may be conferred or awarded posthumously to a deceased student who had fulfilled the requirement of the award of the degree at the time of death.

4. Information Security Policy

The policy Provides a control framework to secure the organization against external and internal threats. This will support university's legal and ethical responsibilities.

5. Data Protection and Privacy Policy

The Policy ensures that Mount Kenya University complies with local and, to the extent applicable, international laws and regulations on data protection. This will Protect the rights of its employees, consumers, customers, and business partners.

6. Bring Your Own Device Policy

The Policy establishes minimum security requirements for personally owned devices that connect to Mount Kenya University Technology Resources. This will encourage students and Alumni to use their personal devices to promote increased access to the university resources.

7. Approval for Establishment of Machakos Open Distance and Electronic Learning (ODEL) Center

The ODEL centre supports the students in the eastern region .

Congratulations to the 2023 class for well-deserved achievement and success.

Message From

THE VICE-CHANCELLOR

PROF. DEOGRATIUS JAGANYI,
PhD, MSc, DIC, MRSC
Vice-Chancellor, MKU

I take this opportunity to welcome you all to the 23rd Graduation ceremony of Mount Kenya University. I congratulate all 6,108 graduands for completing their various studies successfully.

1.0 Students Matters

Mount Kenya University Students' Association (MKUSA) 2023 Elections were done through the E-Voting System across campuses. This was a major milestone for MKU as this was the first online MKUSA election. Students participated in the 12th edition of the Eastern Africa Universities games in December 2022 at Ndejje University, Uganda where they emerged as the 3rd Best Overall Kenyan Universities and the 8th Best East African Universities. In April, 2023, the students participated in the Kenya National Drama Festivals, and they performed up to the finals. In pursuit of mental health awareness MKU students participated in Sikika Youth Fest and Mental Health Awareness Forum in June 2023. In order to boost possible job opportunities globally, MKU students participated in the Start-up Talent Session between the *Africa Berlin Network* and MKU early this year. In liaison with the Becoming Intercultural Diversity Ambassador (BIDA) Program,

eight students participated in a student exchange programme with Hochschule Bonn-Rhein-Sieg (H-BRS) University.

2.0 Academic Programmes

The University Senate has supported two new programmes - PhD in Biotechnology and a Bachelor of Pharmacy (upgrading). In the same period, the University Senate also approved revised curricula for: Bachelor of Laws, Diploma of Laws, Bachelor of Science in Actuarial Science, Bsc. Science Laboratory Science, and Bsc. Animal Health & Production.

3.0 Research and Innovation

MKU hosted the 8th International Interdisciplinary and Inter-University Consortium – Africa Research Conference in March, 2023 and the ACCESS International Summer School-Kenya 2023 Conference in May, 2023.

To enhance the research outputs and malaria elimination, the University launched a modern, state-of-the-art research Centre for Malaria Elimination in July 2023 in collaboration with JICA. MKU faculty have also continued to win competitive research grants from various funding agencies. As part of innovative solutions to emerging issues, the University was awarded a grant by the UK's Knowledge Transfer Network (UK KTN) to pilot an Internet of Things-enabled machine that allows shopkeepers to accurately dispense as little as a few cents' worth of washing powder into reusable containers. MKU students have also developed **Eco-Trace** a Data-Powered reusable packaging Tracking Platform that revolutionizes the way companies deliver their products and how people consume them. With the recent scandals involving insurance fraud, our innovators have created **MyDocKe** an Artificial Intelligence-powered claim double checker platform for the purpose of curbing insurance fraud and ensuring global access to medical data for patients.

4.0 Information and Communication Technology

The University has obtained portable web cameras to enhance monitoring of online examinations. In addition, online Students Application Process has been enhanced to guide all applicants in the application process. The University has also aligned its infrastructure and applications to handle users on online platforms through migration to Azure AD and implementing Microsoft Intune to enhance security, efficiency and effectiveness of administration of MKU ICT resources.

5.0 Quality Assurance

The University has continued to put in place mechanisms to ensure continual improvement and compliance and implementation of a quality management system based on ISO 9001:2015 through audits, compliance checks, monitoring, and evaluation surveys.

THANK YOU.

THE KENYA NATIONAL ANTHEM

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

Honorary Doctor of Laws (Honoris Causa) OF MOUNT KENYA UNIVERSITY

Karim A. A. Khan KC

Mount Kenya University has nominated Mr. Karim A. A. Khan KC for the conferment of honorary Doctor of Laws (Honoris Causa) of Mount Kenya University during the 23rd Graduation Ceremony on Friday, 4th August 2023, in recognition of his broad contributions to the rule of law and international justice.

The University also wishes to recognize Mr. Karim A. A. Khan KC's personal philanthropic interventions and contributions to support education and empowerment of women and girls at the community level in several countries. The following are some of the attributes of the nominee for honorary Doctor of Laws:

Seasoned International Criminal Law and Human Rights Lawyer

A Barrister of more than 30 years, and a King's Counsel since 2011, he is a Bencher of Lincoln's Inn and was appointed a Recorder of the Crown Court in 2018. Karim previously worked as a Senior Crown Prosecutor in London and at the Law Commission of England & Wales. He has acted in some of the largest international criminal cases for the prosecution, defence and victims. He has been involved in all the various international or hybrid

international courts, including at the ICC, ICTY, ICTR, ECCC, SCSL, STL, EULEX and UN SPSC in Timor Leste (UNTAET), as well as the ICJ. He has handled complex international cases in Asia, Europe and North, East, Central and West Africa. He is a Recorder (part-time judge) of the Crown Court of England & Wales. He was the President of the International Criminal Court Bar Association (ICCBA) from June 2017 - June 2018. At the end of his tenure as President of the ICCBA, Karim was appointed the first Honorary President of the ICCBA at the ICCBA General Assembly Meeting in 2018. In July, 2018 he was recognized as 'Worldwide Ambassador of the African Bar Association'.

Mr. Khan is a holder of a Bachelor of Laws degree with Honours from King's College, University of London, in addition to various other degrees and qualifications. He was awarded Doctor of Laws (*Honoris Causa*) by the University of London in March, 2023. Other Honorary Doctorates are also from European University of Tirana, FAMA University and Pristina in the Republic of Kosovo. He was also awarded a lifetime achievement award by Society of Asian Lawyers in 2022.

He was elected as Prosecutor of the International Criminal Court (ICC) at the 19th session of the Assembly of States Parties to the Rome Statute in New York in June 2021.

Service in the Fight Against Terrorism

Mr. Khan served as an Assistant Secretary-General of the United Nations as the first Special Adviser and Head of the United Nations Investigative team to promote accountability for crimes committed by Da'esh/ISIL in Iraq (UNITAD) between 2018 and 2021. UNITAD was established pursuant to Security Council resolution 2379 (2017), to promote accountability efforts for genocide, crimes against humanity and war crimes committed by Da'esh/ISIL.

Other Appointments and Awards

He was awarded Criminal Lawyer of the Year, Society of Asian Lawyers (SAL), 2017 (UK). He is a Visiting Professor, International law and Human Rights, Fourah Bay College, University of Sierra Leone; Senior Research Fellow, King's College, London (1999-2002); Honorary Lecturer, School of Law, University of Utrecht (2010-2011 and 2012-2013). He was awarded the 1999 John D & Catherine MacArthur Foundation Fellowship on International Peace and Security; Alexander Maxwell Law Scholarship Trust Award 2001. In 2008, he was elected an individual member of the International Legal Assistance Consortium (ILAC). He is a member of the Executive Committee, Association of Defence Counsel of the ICTY (ADC) (2010 to 2011) and the Disciplinary Council of the Association of Defence Counsel of the ICTY (ADC) (2007 to 10). He is the Past Chair, Amicus Committee of the Association of Defence Counsel of the ICTY (ADC). He is also Member of the ICTY

Disciplinary Board (along with ICTY judiciary) (2009 – 13). In 2010, Karim was also elected to the Disciplinary Appeals Board of the ICC (along with ICC judiciary 2012-2015).

Research and Publications

He has published a number of leading texts on international criminal law, including:

- **Co-Author**, of *Archbold International Criminal Courts* (Sweet & Maxwell, 1st edition 2003; 2nd edition 2005; 3rd edition 2009; 4th edition (2013); 5th edition (2018));

Community Outreach in Support of Social Emancipation Through Education

Mr. Khan has contributed immensely towards the transformation of communities across different continents by providing educational support and emancipation to

marginalized children and women affected by conflict. He has empowered families and greatly contributed towards reduced inequalities. Just as the Founding President of South Africa and a Pan-Africanist, Nelson Mandela said, “Education is the most powerful weapon which you can use to change the world”, in a similar motivation, Mr. Khan and his wife have a burning passion in support of vulnerable women and children through their personally-driven initiatives. This has seen a lot of community support in education being witnessed over the years in Kenya, Sierra Leone and Sri Lanka. The initiatives include the funding of a capacity building on income generation projects for widows affected by the war in Sri Lanka. According to Sr, A. F. Jeyanthi HF., the Project Manager, Bien Oottu Industry, Kilinochchi, Sri Lanka, “**... women-headed families in Sri-Lanka have been transformed and are living their lives with dignity and also able to educate their children and see to their needs and wants**”. (Quoted from Sr, A. F. Jeyanthi’s letter of appreciation to the Alagenda Foundation, dated 4th January 2019). In Sierra Leone, a school was established in Makeni to cater for the former children combatants as an intervention by the Alagenda Foundation, and courtesy of Mr. Khan and his wife. This contribution was undertaken in consultation and collaboration with the local community and led by the late Edmund Kazibulloh Koroma.

Additionally, Mr. Khan and his wife have instrumentally supported the Alagenda Oltarara Academy, a community-based school which has led to renewed educational gains for that small community of children. The School, which is located in Emarti sub-location, Transmara South sub-county in Narok County, belongs to the community and was designed in consultation with the mothers of the children. As a family, Mr. Khan and his wife have also supported the Kwetu Homes for Street children and through the Home have fully continued to support the education of two boys in a private boarding school for the last 12 years. To all of us, Mr. Khan is motivated by the desire to support the children of these communities through education. This is highly commendable and also a great challenge to local and international philanthropists to step in and contribute in worthy interventions globally.

Mr. Khan and his wife are guided by the communities they contribute to and allow them to decide and design the success of these schools. They have shown us that as individuals we can support education and community empowerment, and this is a perfect case-study that contributes towards achievement of the Sustainable Development Goal (SDG) No. 10 on Reduced Inequalities. Mount Kenya University (MKU), as the United Nations Academic Impact (UNAI) hub on reduced inequalities, takes particular interest in noting and appreciating the multi-pronged personal interventions by Mr. Karim Khan towards service to humanity and therefore nominates him for the conferment of the **Honorary Doctor of Laws (honoris causa) during the 23rd Graduation Ceremony on the 4th of August, 2023.**

THE PHARMACIST'S OATH

I,.....

Reg. No. Do hereby swear that:

- I will practise my profession of pharmacy with conscience to uphold its dignity and honour; holding myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.
- I will actively search for and disseminate new skills and knowledge of the profession and related disciplines; accepting the lifelong obligation to improve my professional knowledge and competence.
- I will use my knowledge, experience and skills to the best of my ability to ensure optimal outcomes for the patients and to relieve human suffering in sickness and illness while maintaining the welfare of Humanity.
- I will consult, co-operate with, and seek counsel from fellow Pharmacists and other health Professionals.
- I will practise the profession without prejudice while embracing and advocating changes that improve patient care.
- I will not distribute or promote the use of substances in a manner that is harmful to humanity.
- I will abide by the rules and regulations governing the practice of pharmacy including the objectives of the Code of Ethics of Pharmacy Practice in Kenya and pledge to assist in their enforcement and promotion.
- I will respect and protect all personal and health information, keeping all secrets I learn and as entrusted to me in the course of my professional duties.
- I make these solemn promises freely and upon my honour with the full realization of the responsibility with which I am entrusted by the public and society.

HIPPOCRATIC OATH - School of Clinical Medicine

I,.....

Reg. No. swear to fulfill, to the best of my ability and judgement, this covenant: I will respect the hard-won scientific gain of those physicians in whose steps I walk, and gladly share such knowledge as is mine with those who are to follow. I will apply, for the benefit of the sick, all measures that are required, avoiding those twin traps overtreatment and therapeutic nihilism. I will remember that there is art to medicine as well as science, and that warmth, sympathy and understanding may outweigh the surgeon's knife or the chemist's drug.

I will not be ashamed to say "I know not," nor will I fail to call in my colleagues when the skills of another are needed for a patient's recovery.

I will respect the privacy of my patients; their problems disclosed to me that the world may not know. Most especially must I tread with care in matters of life and death. If it is given to me to save a life, all thanks. But it may also be within my power to take a life: this awesome responsibility must be faced with great humbleness and awareness of my own frailty. "Above all, I must not play at God".

I will remember that I do not treat a fever chart, a cancerous growth, but a sick human being, whose illness may affect the person's family and economic stability. My responsibilities include these related problem, if I am to care adequately for the sick.

I will prevent disease whenever I can; bearing in mind prevention is preferable to cure.

I will remember that I remain a member of society, with special obligations to all my fellow human beings, those of sound mind and body as well as the infirm.

If I don't violate this oath, may I enjoy life, be respected while I live and remembered with affection thereafter. May I always act so as to preserve the finest traditions of my calling, and may I long to experience the joy of healing those who seek my help

SEVEN INTERNATIONAL UNIVERSITIES HOLD SUMMER SCHOOL AT MKU

Thika-based Mount Kenya University (MKU) hosted a 5-day seminar dubbed the Third African Centre for Career Enhancement & Skills Support (ACCESS) Summer School 2023 for a consortium of seven international universities.

With more than 1,000 participants, the blended conference was officially opened on 22nd May by MKU Vice-Chancellor, Prof. Deogratus Jaganyi. Previous Summer Schools were held in Ghana and Benin.

ACCESS is a 3.7 million Euro (Sh550 million) project promoted by Germany's Academic Exchange Service (DAAD) under the Exceed Initiative, with funding from the Federal Ministry for Economic Cooperation and Development (BMZ).

The project is implemented under a consortium of six African universities and coordinated

by Leipzig University of Germany. It runs from 2020 to 2024, with possibilities of extension. Apart from MKU and Leipzig University of Germany, others are IRGIB Africa University of Benin, Kwame Nkrumah University of Science and Technology (Ghana), University of Ibadan (Nigeria), Institut d'Enseignement Supérieur (INES) de Ruhengeri (Rwanda) and the University of Tunis, (Tunisia).

The Summer School explored issues around the topic "Beyond Classroom Experience in the Lenses of University-Industry Interaction" and included practical experience sharing, curriculum development discourse and interactive sessions among the participants, industry partners and government.

Prof. Dickson Andala, the Chief Executive Officer, National Research Fund, who was the Chief Guest at the conference said, "the four pillars of Access – Capacity

Building, University Business Linkage, Employability Research and Entrepreneurship Academy have key strategic orientation towards addressing Kenya's current unemployment among university students".

He challenged the participants to seek the support of innovation hubs, and start-ups to promote impact-based training opportunities. "We all understand that the digital economy has numerous flexible opportunities for delivering such training opportunities. At times, hybrid models of training ensure that both theoretical and practical concepts are intertwined," he said.

Prof. Andala tipped postgraduate students to seek the numerous opportunities for scholarships available under the ACCESS programme so as to afford them exposure to cultures and skills necessary to function in the modern labour market. "I am aware of the

Group photo of delegates during the ACCESS summer school at Mount Kenya University

numerous opportunities for funded training not just for faculty but also for students, especially by DAAD, Erasmus+, BMZ, EURAXESS, among others,” he said.

Appreciating the industries represented at the meeting, Andala said that strengthening relationships between universities and industry cooperation and knowledge exchange between stakeholders can be expanded, thus growing new professional opportunities for African students as envisaged in the programme.

The CEO said research should be geared towards impact-based solutions and challenged Kenyan institutions of higher learning to support NRF initiatives in promoting research. “NRF plays a critical role in supporting competitive applications for research focused on our current national research priorities,” he added.

He congratulated MKU for supporting its faculties in research under the Vice-Chancellor’s, Research and Innovation grant.

The VC said MKU had established a Graduate Centre for Career Enhancement and Skill Support (GECESS) to foster the service-learning strategy with the industries represented at the conference.

“This is an offshoot unit of the Kenya Access Team, led by the Coordinator, and summer school chair, Dr. Henry Yatich,” he added.

MKU is following-up on the Industry engagements to ensure a robust

synergy that can lead to progressive improvement in our curriculum-offering and quality of its graduates. “Some of the initiatives that MKU has launched recently include the MKU Innovation and Incubation Centre, which has seen the identification and selection of seven innovative ideas ready for acceleration and commercialization with support from innovation hubs and start-ups,” said the VC.

During the ACCESS Summer School, the delegates were able to visit different industries where they discussed on training for the industries and hence the need for a strong university-business linkages. They visited Kevian Kenya and BIC East Africa.

Mount Kenya University was represented by Public Health Officers and lecturers led by Dean, School of Public Health Dr. John Kariuki and Vivian Mwalenga, Head of Department of Environment health and Chairperson Public Health Officers and Technicians council, among others.

Mount Kenya University Chairman and Founder Prof. Simon Gicharu was among the keynote speakers. He addressed Challenges and Opportunities in Public Health Training in the Private Sector.

“Kenyan Government today is committed towards provision of access to the Universal Health Care for all Kenyans. In order to achieve this, there is a need for training of more public health professionals”, Prof. Gicharu said.

He called upon the Public Health Professionals to continuously maintain highest levels of disease surveillance at community levels and educate the public on preventative strategies.

“Given the need to provide quality Public Health support to the communities, more training opportunities are required but the set standards must be met”, he Said

MKU uses internally-generated funds to put up laboratories for quality training and more laboratories are to be established at Nakuru and Mombasa campuses. MKU is also working closely with the regulators to establish a scholarship for PhD training of Public Health Professionals using internally-generated funds.

MKU HOSTS 8IIIUC RESEARCH CONFERENCE AS MKU VC BECOMES THE NEW CHAIRMAN OF THE CONSORTIUM

The eighth International Interdisciplinary and Inter-Universities' Consortium-Africa Conference 2023 was held at the Mwai Kibaki Convention Centre, Mount Kenya University Main Campus. Organized by Mount Kenya University in collaboration with Vincent Pol University of Poland, the three-day forum focused on "Participatory leadership, innovation and knowledge transfer for sustainable economies." Over 100 delegates and stakeholders from academia, public, and private sectors attended.

Members of the Inter-University Consortium Africa, including

Mount Kenya University, Kyambogo University (Uganda), Chukwuemeka Odumegwu Ojukwu University (Nigeria), University of Makeni (Sierra Leone), and University of Eldoret, dedicated to advancing knowledge and technological innovation, are participating in the conference.

During the opening ceremony, MKU Pro-Chancellor Dr. Vincent Gaitho emphasized the importance of participatory leadership in successful institutional and organizational management. He stated that integrating innovation into leadership practices is crucial for avoiding mistakes.

MKU Vice-Chancellor Prof. Jaganyi encouraged delegates, especially those from African universities, to consider recommending the consortium for membership to their respective institutions.

MKU Co-Founder Dr. Jane Nyutu highlighted the conference's role in promoting the Sustainable Development Goals 2030, specifically addressing reduced inequalities in societies. The event serves as an essential platform for advancing these objectives.

CAMPUSES & ODEL CENTRES 2ND PERFORMANCE EVALUATION

The conference attended by campus Directors, Centre coordinators, Students Recruitment officers and other staff members of MKU and Equip Africa Institute was graced by the Chairman, Board of Directors Prof. Simon Gicharu. Vice-Chancellor, MKU, Prof. Deogratius Jaganyi, Registrar, Academic Administration, Dr Maathai and Directors of various directorates also attended the conference. The conference themed *“Breaking barriers and shaping the future of MKU campuses, centres, Equip Africa College and Equip Africa Institute”* discussed strategies to improve service delivery by focussing on key areas in ensuring quality training and research.

The Vice-Chancellor emphasized on the need to monitor and evaluate on a regular basis, the student’s academic journey from admission to graduation. This will ensure students complete their studies within the stipulated completion time.

The University has restructured the Directorate of Graduate Studies

to strengthen the processes that will ensure postgraduate students are accorded necessary support to graduate at the expected completion time. Postgraduate centre of excellence has been re-engineered to make postgraduate training have a paradigm shift. The University is committed to tap on the postgraduate as the next frontier as the projected postgraduate students targeted to form 30% of the total students population by 2027.

The workshop was moderated by Principal, Campuses coordination and Institutional Compliance Dr. Nahashon Mwirigi. He is in charge of monitoring implementation and evaluation of the performance targets of the Campus Directors and Centre Coordinators.

Vice-Chancellor informed the participants that the need for increased access to Higher Education has seen MKU establish Machakos and Embu ODeL Centres.

Academic resources have been increased by establishment of science laboratories in various

campuses. He urged participants to collectively participate in student recruitment. Attraction and retention of students depend highly on the intra-marketing where continual improvement is a responsibility of all the staff.

There is need to restructure current certificate and diploma programmes to allow academic progression to the next level. Chairman Board of Directors, appreciated the efforts of University Management led by Vice-Chancellor, Prof Jaganyi.

MKU will continue to have a competitive advantage as it positions itself as a leader in the higher education sector in the region.

CUE recertification inspection recommendations are being implemented to ensure quality service delivery. Chairman advised participants to break technological barriers and embrace use of technology in enhancing processes leading to customer satisfaction. The Board of Directors commended the university management in coming up with new programmes and innovative ways in service delivery. Postgraduate and upgrading programmes have a high potential to grow. Chairman urged members to practice best practises based on integrity to make MKU a great institution powered by visionary leadership. Need to understand the needs of our current and potential students. We strive to add value to our graduates and enhance their employability. Prof. Gicharu urged members to continue supporting the progress of the university.

Partnerships

COMMISSIONING OF POLICE PATROL BASE CONSTRUCTED BY MOUNT KENYA UNIVERSITY

The newly commissioned police patrol base

In partnership with the National Government and the County Government of Kiambu, Mount Kenya University has built a community policing facility in Thika. It has also built a traffic police office at the Thika Police Station.

Confirming this, MKU Vice-Chancellor, Prof. Jaganyi, said both initiatives have been implemented under a public-private partnership involving the three parties. Thika Town MP Alice Ng'ang'a officially commissioned the community policing facility, located in Thika's Industrial Area on General Kago Road, next to the university's main campus. Prof. Jaganyi said MKU will continue to forge synergetic partnerships with security organs in safeguarding peace and security in the community. The university will also facilitate the students and faculty to participate in security interventions, especially in the emerging security threats, such as cybercrime.

MKU's funding of the construction of the Industrial Area community policing facility and traffic police

office in Thika is a community outreach project expected to enhance the safety and security of residents, including students. The university, in close consultation with the police, provided all the building materials and labour that was used to set up the facility. The political leaders, that is, the county government, area MP, and MCA, were instrumental in the whole process.

The MKU Vice-chancellor said the university expects the community to enjoy improved security due to regular patrols, rapid response from the police in case of an emergency, and reduction of crime since members of the community are able to provide information quickly regarding suspicious activities.

Other academic institutions within the neighbourhood stand to benefit due to the proximity to the police.

MKU made a request last year to the interior ministry to beef up security around the university and the neighbourhood. The ministry approved the establishment of a community policing facility near the university's main campus in Thika town. Prof. Jaganyi said students and members of the surrounding communities have been falling prey to incidents of crime. MKU, said the don, is cognisant of its responsibility to impact the welfare of the communities that surround it.

MKU AND JICA LAUNCH CENTRE FOR MALARIA ELIMINATION, INSTITUTE OF TROPICAL MEDICINE

The Project for Interdisciplinary Research for Integrated Community-Directed Strategy for Sustainable Freedom from Malaria, funded under the SATREPS scheme, has made substantial investments in the fight against malaria. The 450 million, with KES 300 million allocated for activities in Kenya and KES 150 million for activities in Japan, has been utilized for various purposes, including the establishment of a cutting-edge molecular and immunology laboratory at MKU's Thika campus. The state-of-the-art facility enables advanced research and diagnostics for malaria. Researchers and students from MKU and collaborating Japanese universities, such as Osaka City University, have benefited from exchange training programmes, enhancing their skills and knowledge in malaria research.

Ambassador Ken Okaniwa, Embassy of Japan, graced the inauguration of the Centre for Malaria Elimination at Mount Kenya University as the chief guest on 14th July 2023. Representatives from the Ministry of Health; State Department for University Education and Research; Ministry of Education; JICA, Kenya; Osaka City University; Ehime University Matsuyama, Japan; Thika Level V Hospital; and Homabay County among others, attended the event.

METAL BOXES – GENERAL KAGO PRIMARY

Mount Kenya University donated metallic boxes to Students of General Kago Primary School who scored 300 marks and above as they planned to join form one in different schools. This initiative was targeted towards helping the parents from Kiandutu slum to enroll their children in secondary schools.

Prof. Peter Wanderi presented the metallic boxes to the pupils in an event attended by their parents, teachers, and Christian Union students from Mount Kenya University. The CU students have an established mentorship and guidance forum where they interact and guide the pupils from General Kago Primary School.

MKU OFFERS FULL MOTORCYCLE-RIDING TRAINING

Director, Eldoret Campus, Dr. Emily Kirwok, awarded a full motorcycle-riding training to several boda boda operators in Uasin Gishu County as part of recognition of their efforts and contributions to society. Members of the community depend on their services for mobility, which makes them key stakeholders to the university. This is among several community initiatives that the university is undertaking.

MKU CHRISTIAN UNION GETS A DONATION

Prof. Simon Gicharu, Founder and Chairman, MKU played drums after presenting a personal donation of modern musical equipment to the university's Christian Union. The equipment was received by Pastor Dr. John Kamau the protestant chaplain, the Christian Union patron Pastor Daniel Kimondo and the CU Chairman Pastor Clive Khayes. The equipment will be used for teaching in different fields including music production and sound engineering as well as evangelism.

MKU MARKS WORLD ENVIRONMENT DAY 2023

Graduation Pavillion ground, where trees have previously been planted. The positive effects of this garden have been realized by the cool breeze that is currently being enjoyed. It is also evident that river Chania, that flows at the foot of the botanical garden now has aquatic life and the garden itself is now home to many animals.

MKU has partnered with THIWASCO in their annual tree planting day where thousands of trees were planted. Another partnership with Kitale forest has witnessed many trees being planted.

Driven by the urge to harness the power of University students to combat the environmental crisis, Mount Kenya University environmental club members led by their patron, Afubwa Musumi, joined hands with other stakeholders to mark the world environment day at Mang'u High School, where they planted different varieties of trees from ornamental to medicinal.

The university has a botanical garden which is an initiative of the school of pharmacy at MKU

The event that was marked on 5th June 2023, celebrated the World Environment Day, the largest international day dedicated to the environment. This year, the focus was on finding solutions to the critical issue of plastic pollution, under the campaign hashtag *#BeatPlasticPollution*.

The World Environment Day 2023 has put emphasis on the importance of individual actions in combating this global challenge. On this World Environment Day, University students have a role in realizing this goal. As young and passionate individuals, students have the power to make a real difference in the world through actions and by sensitizing the community.

Mental Health Awareness

MOUNT KENYA UNIVERSITY HOSTS SIKIKA YOUTH FEST: MENTAL HEALTH AWARENESS FORUM

Mount Kenya University on 2nd June 2023 hosted Sikika Youth Fest: Mental Health Awareness forum at Mwai Kibaki Convention Centre. The fest was conducted under the theme “*Tubonge Tusifiche*” The forum recognizes the critical need for interventions in support of the mental well-being of the youth. Aligned with the Sustainable Development Goals (SDGs) 3 and 10, the forum seeks to promote good health and well-being for all ages while reducing inequalities and ensuring that no one is left behind.

H.E Pastor Dr. Dorcas Rigathi was the chief guest during the fest. She encouraged the youth to rise above their current struggles by seeking help from counsellors for their better health. She is a true testimony of a fighter, having been raised by a single mother in Kiandutu Slums. She once attempted suicide and so she resonates well with the mental health challenges. Dr. Dorcas Rigathi’s inspirational story was documented by Pastor Catherine Kiuna.

Dr. Jane Nyutu, MKU Co-founder and Director Mind and Beyond Counselling Centre, delivered her keynote address on “Mental Health Challenges facing the youth in the 21st century” where she addressed contributors to mental illness among the youth, common mental disorders, effects of mental disorders and general mental health awareness issues. Sikika Tubonge Tusifiche is a youth mental health awareness forum that aims to address the pressing issue of mental health among young people in Kenya. Sikika Tubonge Tusifiche aims to establish a robust network that connects young people with mentors and provides access to various opportunities. By doing so, this initiative seeks to empower the youth and offers them a chance at a dignified future. With the implementation of these interventions, Sikika Tubonge Tusifiche aspires to witness a significant reduction in the number of young people living with anxiety and depression.

Today’s event was co-organized by Conscious Works Consult, TV47 and Radio 47. Special gratitude is reserved for our

esteemed guests, especially our chief guest, H.E. Pastor Dr. Dorcas Rigathi, EGH, who took time to inspire the youth with her presence.

MKU HOLDS GENTS FORUM ‘MAN ENOUGH’

Guest Speaker Dr. David Kabera Muthondeki, Head of Mental Wellness Administration Police Service (APS) & Motivational Speaker.

Mount Kenya University held a gents' forum on Friday, 30th June 2023 to embrace the boychild. The event, which was dubbed 'Man Enough' was organised by Ahmed Ibrahim, President- of MKU Student Association (MKUSA) in collaboration with the Peer Counsellors' Club, and MKU Counselling Centre, which is led by Counsellor Edith Ndwiga.

The event was held at MKU Indoor Games Arena and attracted many male students. The guest speaker was Dr. David Kabera, head of the mental wellness administration police service. He is also a motivational speaker.

Dr. David Kabera Muthondeki

Overview of the program

The boy-child often faces societal pressure to conform to rigid gender norms and stereotypes, limiting their self-expression and emotional well-being. Encouraging the boy-child to embrace their emotions and teaching them emotional intelligence is crucial to promoting healthy development.

Challenging toxic masculinity and promoting positive role models is also necessary in creating a healthier and more inclusive society. Eliminating discrimination and bias towards the boy-child, will allow them to flourish and contribute positively to society.

Addressing the needs of the boy-child is crucial for their individual development and for building a better future for generations to come. By providing equal opportunities and promoting positive change, we can create a brighter, more inclusive world.

MKU PRO-CHANCELLOR INSPIRES GROWTH

Together, let us unlock the limitless potential within our campus and empower the minds of our students to shape a brighter future.

Dr. Vincent Gaitho, Pro-Chancellor and Chairperson of the University Council, visited Mount Kenya University Meru campus on May 25, 2023, concluding his tour across all campuses and ODEL Centres of MKU.

By recognizing their importance in the greater narrative of Mount Kenya University, the staff members were challenged to channel their talents, passion, and dedication towards growth and quality service delivery of the campus.

Amidst this transformative atmosphere, the campus management expressed heartfelt appreciation to the Dr. Gaitho for his visionary leadership and unwavering support. The Board's multi-million investments in the campus, including the ongoing development of a state-of-the-art general science laboratory to

bolster science-related courses, the recently equipped computer laboratory, and the modernized campus library boasting cutting-edge knowledge resources in physical and electronic formats, were hailed as milestones in the pursuit of academic excellence by the campus Director Madam Karen Mungania. Through these advancements, the Meru campus would continue to nurture the minds of the future, equipping them with the tools and resources needed to thrive in an ever-evolving world.

Embracing his role as a visionary leader, Dr. Gaitho delivered an unwavering message that resounded deeply with every individual present: the call to nurture the campus's growth, particularly through increased student enrollment. To further illustrate the significance of each person's contribution, Dr. Gaitho shared an inspiring story about a

cleaner working for NASA. When asked about his work, the cleaner responded with unwavering pride, stating that through his cleaning duties, he was contributing to sending a man to the moon. This anecdote served as a powerful reminder that every task, no matter how seemingly insignificant, holds the potential to make a profound impact.

Dr. Gaitho parting words echoed with a sense of encouragement and determination: "Remember, greatness lies not only in what we do but in how we perceive our work. Embrace your roles as educators, administrators, and guides. Together, let us unlock the limitless potential within our campus and empower the minds of our students to shape a brighter future."

Disability is Not Inability

CELEBRATING ENABLED- DIFFERENTLY AFRICAN CHILD

The Day of the African Child is celebrated every year on 16th June. MKU students enabled differently took it upon themselves to celebrate the child of their kind at Thika Primary school for the visually-impaired. The day was joyfully celebrated as the students who are visually impaired were entertained. A special meal was made for them. To mark the day, fruit trees and cedar trees were planted in memory of the visit by staff and students of MKU. Thika Primary school for the visually-impaired has 352 students who are low envisioned, totally blind and light skinned. Most of the teachers are also visually-impaired. Both the students and staff are friendly and warm to be with.

The aim of the event was:

- 1. To make MKU students enabled differently give back to the community and inculcate a desire for them to always remember others in their category**
- 2. To give hope to the students who are visually impaired at Thika primary and cultivate an interest for them to study and activate their dreams of being in higher institutions of learning.**

Among other items that Mount Kenya Special Needs Association (MKSNA) gifted the students at Thika primary school for visually-impaired were thirty reams of braille

paper. Mr. Musau, the senior teacher expressed his overwhelming joy as he was receiving the paper. He stated that the school was in dire need of the braille paper, which is the main writing material for students with visual impairment. David Vitter said, "Give the children the necessary tools, they will succeed beyond their wildest dreams". Blind mix group led by Ndichu, a DJ and a student undertaking psychology course gifted the girl-child ten boxes of sanitary pads. Girls who are certain that their three or four days of the month are well taken care of become mentally stable and comfortable and are not in fear of the unknown.

This year's theme was, "*The Rights of the Child in the Digital Environment*". African children who are visually impaired face unique challenges compared to other regular children. Micah Lokoropee, a student at MKU, stated that embracing digital technology would enhance the capabilities and performance of the students and place them on a

better competitive edge in an inclusive society. He inspired the students to exploit their potential so that they would not only survive but thrive and succeed in life. He urged the society to give full support to persons enabled differently to overcome the limitations of their condition and lead a full life.

Nice Watetu Macharia, a former student and a head girl of Thika primary school for visually-impaired urged the students to work hard in their studies, which would ultimately empower them and overcome the begging attitude "omba omba", to change the way the society regards visually-impaired students. Nice is in her final year pursuing Bachelor of Education, Special Needs. Her dream is to become a lecturer.

The special needs association is grateful to the entire MKU family which has given them a platform to explore their different abilities. Indeed, the event would not have been a success if it were not for the various MKU students' clubs and staff that gave the students enabled-differently financial and moral support in preparation and during the event. The MKSNA Chairperson, Daniel Bokhe, and the entire organizing committee did a remarkable job to make the event a success.

As Charles Dickens put it clearly, "No one is useless in this world who lightens the burdens of another".

E-sports

MKU UNVEILS E-SPORTS FACILITY AS UNIVERSITIES EMBRACE COMPETITIVE GAMING

Mount Kenya University has unveiled a state-of-the-art gaming equipment in a bid to fast-track its students to grab a stake in the fast-rising world of electronic sports (E-sports).

The new equipment was officially handed over to students by the Chairman Board of Directors, Prof Simon Gicharu.

The launch event showcased the university's commitment to innovation, technology, and the holistic development of students.

“By recognizing the potential of E-sports, universities in Kenya can create an inclusive environment that nurtures talent, empowers students, and prepares

them for the ever-evolving digital landscape,” Prof Gicharu said.

Consequently, the university's E-sports management team has commenced a recruitment drive for the upcoming season.

“If you have a burning passion for competitive gaming and want to showcase your skills, this is your chance to shine,” said Prof Gicharu.

In traditional sports, MKU emerged as Third Best Overall among Kenyan universities and subsequently the eighth best East African institution during the 12th edition of East Africa University games that were held at Ndejje University, Uganda in December 2022. The event attracted 35 universities across Eastern Africa.

14 MKU STUDENTS TO PARTICIPATE IN IBM GLOBAL CODING CONTEST AFTER EXCELLING IN HACKATHON

Mount Kenya University (MKU) students are set to participate in multinational tech firm IBM's Call for Code 2023 that seeks innovative solutions to sustainability issues. The 14 will begin their quest for top prizes and global fame next month.

According to IBM, the 2023 Call for Code offers developers opportunities to gain skills, build solutions and win prizes.

IBM has set the grand prizes for university teams at a whopping \$50,000, or approximately Sh7 million at the current exchange rate. Should the MKU teams grab this prize, the university will receive a \$30,000 grant, or Sh4.2 million.

On 13th July, the university hosted an internal Hackathon focusing on students' use of artificial intelligence (AI) to solve problems.

School of Computing and Informatics dean, Dr John Kamau explains that the 14 students who

will participate in the IBM challenge were selected from the Hackathon.

He says: "The winners received various awards. The awards, training and the whole event was funded by the MKU Board of Directors "

Dr Kamau adds: "The six teams that made it to the finals will represent the university in the global IBM competition this month. At the global competition, the university will be represented by six teams comprising 14 students."

MKU EXCELS IN WOODBALL

Mount Kenya university unlocks possibilities in sports, barely a year after founder and BoD chairman launched woodball team at mount Kenya university, 7 students will be representing team Kenya at the world beach woodball world cup and Malaysian international Woodball open scheduled for 26th to 30th July, 2023. The students are Tunga Charles Ochieng, Remmy Otieno, Ivyne Chepkemboi, Jane Njeri Irungu, Faith Muringe Maina, Dorcas Gakii Murithi, Chelimo Priscillah Ruto.

The students were picked after emerging amongst the best 18 members team squad representing both genders. Notably 2 staff members made it to the team with Mr. William Luta the university (sports and creative arts coordinator) picked as the logistics and technical officer while Jeremiah Masasi (University Clinician) taking the role of team doctor.

The National team departs for Malaysia on 24th July and will travel back on 2nd August 2023.

Postgraduates

MOUNT KENYA UNIVERSITY KEEN TO FAST TRACK ACADEMIC PROGRESSION OF POSTGRADUATE STUDENTS

MKU College of Graduate Studies and Research has devised a strategy to enable postgraduate students complete their studies on time by following a semester-structured plan from admission to completion. The semester-based guide intertwines coursework and research. “In the new plan a lot of emphasis is put on the course units offered during the first semester to ensure students are taught the requisite research units. The remaining semesters are loaded with less course work with more time dedicated to research,” asserts Dr. Samuel Karenga, the Director Graduate Studies.

The move will help graduate students save on resources usually spent whenever they take long to complete their studies. The university will allow students longer periods depending on circumstances that are likely to interfere with their progression.

MKU Pro Chancellor and Vice-Chairman, University council, Dr. Vincent Gaitho said, “The mechanism to enable students complete their studies on time will however not be a compromise on quality. “Fast-tracking does not mean that we are rushing people for the sake of graduating them. It is a moment to sacrifice and focus on your studies. We would also want to release them to go out as soon as possible and become productive in the economy,” he said.

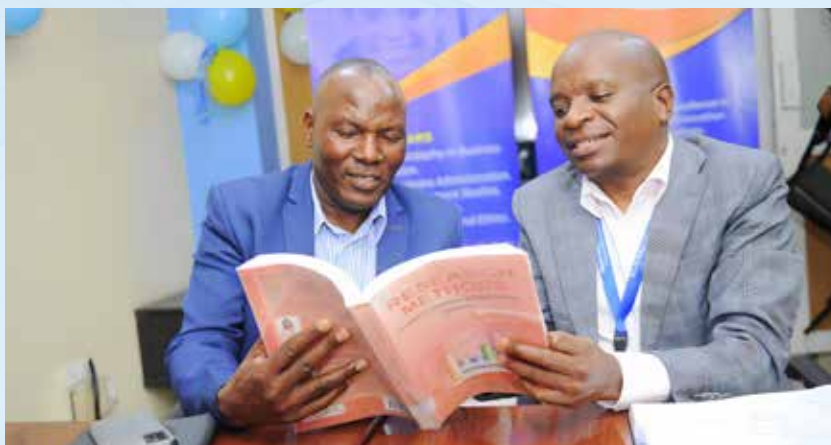

“Kenya is in need of specialists across different economic sectors.

We have identified postgraduate studies and postgraduate students as our next frontier,” he said during research books launch at the Nairobi Campus postgraduate centre. The books worth several thousand dollars will enhance the quality of research output by postgraduate students and staff.

He also remarked this country, the world and humanity require specialised training. “At undergraduate level, students are introduced to the broad spectrum and having gotten this broad knowledge in their area, they can then pick a specific area that would make them specialists in their fields,” he continued.

Testimonials, PhD Graduands

Ngaruiya Grace Wanjiku - PHDNS/2017/70315

Throughout my years at the Mount Kenya University, I have been surrounded by a community of exceptional scholars, dedicated educators, and passionate mentors. Their guidance, expertise, and tireless support have not only expanded my intellectual horizons but also instilled in me a deep appreciation for the pursuit of knowledge. A conducive environment and modern facilities facilitated academic excellence.

I am indebted to my supervisors whose guidance, patience, and unwavering belief in my potential pushed me to surpass my own limitations and strive for excellence. As I embark on the next chapter of my academic and professional journey, I carry with me the

knowledge, experiences, and values that the Mount Kenya University has instilled in me. I am eager and committed to making meaningful contributions in my field of study, society, and humanity at large.

As for those yet to finish their PhD program, I urge you to keep pressing on and to work hard. May God bless Mount Kenya University.

Yusuf Abdu Misau - PHDPH/2017/77145

Being a Nigerian citizen, my PhD journey at Mount Kenya University has been an incredible and unforgettable experience. Initially, I underestimated the rigorous processes and requirements that awaited me, but I soon realized the depth of commitment and thoroughness demanded by the university.

Throughout my journey, I received exceptional support from the university management, faculty, and staff. Mount Kenya University stands out in its commitment to support its students, particularly those engaging in virtual seminars. My supervisors played a pivotal role in guiding and counseling me, ensuring that I remained on track. I am eagerly anticipating my Post-Doc training, which will present an exciting new chapter in my academic and research career. To those still pursuing their PhD, never give up! The journey may be demanding, and there may be moments of doubt and difficulty, but perseverance and determination will ultimately lead to success.

Githiomi Rachel Nyaguthii - Phdmls/2018/37488

The Sustenance of growth guided by the unwavering support of mentors, MKU university faculties, and dedicated supervisors, I have been nurtured on my path to academic excellence. To fellow scholars on their own path, I extend a resounding call to embrace the potential within humble beginnings. With dedication, perseverance, and the unwavering support of mentors and institutions, you too can unlock the vast potential within, growing into a towering force in your field of study. "Even the grandest of achievements begins with a spark of curiosity and a thirst for knowledge." – Unknown

Chege Stanley Mwangi - Phdec/-25899/2013

I received great support from my supervisors and university management. They encouraged me to continue with my studies, and I eventually finished my PhD. We published 12 articles in peer-

reviewed journals during this time. I plan to continue research in IT strategic alignment and digital transformation, and to share my knowledge with local and international communities. I encourage others who are pursuing a PhD to never give up. No mountain is insurmountable, and persistence and determination will eventually pay off.

Though I was surrounded by people who are warm and helpful, I experienced my share of discomfort and challenges. Pursuing PhD demanded a lot of sacrifice and determination to an extent that I had to learn to be alone and isolate myself at times in order to give it the concentration it deserved. I have received a lot of support from MKU management. I would also like to thank my supervisors for valuable guidance and advice regarding my research work. Moreover, my regards goes to my lecturers, professors and all who opened their heart and doors whenever I needed their support including during difficult times. I am proud because their effort and support helped me reach my academic aspirations and contributing to the body of knowledge in my field.

Thank you MKU for this intellectual empowerment. For those still in the process, I encourage them not to give up.

**Karuga Charles -

Through it all, I have benefited from a robust support system laid out by the University in form of qualified and supportive lecturers and supervisors, well stocked libraries with modern and relevant books and clearly defined postgraduate processes and milestones. As I graduate today, I hope to impact the

society through my recently gained knowledge by offering solutions to existing problems. To those still pursuing this dream, I have learnt that getting a PhD is a long-term commitment that requires a high degree of self-responsibility, commitment, and perseverance. Lupita Nyong'o once said, "Your dreams are valid". So never give up. Again remember, "No one has the power to shatter your dreams unless you give it to them". Maeve Greyson.

"PhD at MKU is a learner-centered program with rigorous quality assurance processes and enabling resources. My study period coincided with COVID-19 pandemic era, a moment I thought my dream got shattered! but MKU was quick to embrace technology for program continuity without compromise to quality. By Allah's grace, supervisors' mentorship and support from all levels in the university, the dream has come true. Despite the challenges, investing in time-management, working with peers, and being receptive to supervisors and reviewers, I acquired top-notch skills to generate research-work that contributes to the body of knowledge and ability to produce other scholars."

**George Muturi Wanjobi -
Phdba/2017/75774**

"Pursuing studies to the highest level has been an innate calling from a tender age. Invariably, there are no shortcuts in academic progression since the long journey towards realization of this noble dream is globally structured and standardized. It thus requires hardworking, resilience, and tenacity. I hail the support and encouragement from parents, siblings, classmates, and supervisors that enabled me to

break the ceiling. The skills obtained from the MKU PhD program have been instrumental in contributing to the body of knowledge and empowerment to mentor other scholars for them to realize their academic dream."

**Kanchori Daniel -
Phdbam/2014/70851**

The MKU PHD Program is intense, thorough, and the lecturers as well as the supervisors are committed to their mandate. I appreciate the resource materials at MKU and the support of management and faculty in general. My sincere appreciations to supervisors for their valuable support throughout my academic journey. I endeavor to maximize my academic achievements in both the academic and corporate spheres to better lives as well as enhancing prompt and quality services both locally and globally. Self-discipline, focus and a determination to win are keys for an achievement of a PhD. My encouragement to current and future scholars is to work hard and be ready to make sacrifices for their dreams to be a reality. The point is to never give up, no matter how tough the journey becomes, keep pushing to make the dream a reality.

**Julius Suka Kasuni -
Phd/2014/73048**

I wish to point out that although this was the longest leg of my academic journey it was the most challenging and enjoyable. First, I must admit I was impressed by the strictness in adherence to processes and protocols, throughout the journey.

Secondly, I was fortunate to sit under the feet of some of the most professional, humane and honestly caring supervisors who gave me reason to continue even at my ripe old age. Many thanks to the university management that has continued to improve its systems and processes. To those still pursuing their PhDs

my advice is simple; work hard and sacrifice. Maintain a never-giving-up approach. Be friendly to your supervisors.

**Teresia Kalekye Mutisya -
Phdbam/43202/2016**

Undertaking my doctoral studies at Mount Kenya University has been one of the most eventful, rigorous, adventurous and interesting academic journeys. The research process was an exciting experience especially with the exceptional support from my supervisors. The emphasis of the research work was on the need for innovative strategies in order to boost performance given that the entire business environment is rapidly evolving.

The support from the university management was exceptional. Looking ahead, I aspire to devote my time in guiding students in their research work and academic writing. To those still pursuing their academic aspirations, keep the spirit high and let nothing deter you from your goal. With commitment and positive mindset coupled with working closely with your supervisors and being open to the opinions of the panelists and examiners all is possible. Keep your dream valid.

I wish to thank the Almighty Allah as I pen down my experiences as I underwent a rigorous but professional process in the course of acquiring my PhD at Mount Kenya University the pearl of Eastern Africa. The process was Educative, Persuasive, Motivating and highly aligned to the contemporary issues in the fields of Management, Administration and Leadership.

The University Management was so supportive and readily available to provide all professional advices and

words of encouragement towards the achievement of my prestigious and highly awaited Doctorate Degree. For those students pursuing or intending to pursue the PhD Program, kindly be motivated and encouraged by following the footprints of teams ahead of you and using the Mantra, if I did the first and second degree why can't I do it the same way or even better.

I commend the entire Mount Kenya University Management to keep the mantle burning.

**Musau Nicholas Muthiani -
Phded/2013/54594**

I wish to register my profound gratitude to Mount Kenya University for enabling me achieve my scholarly dream. Even though quite demanding, the one-year of coursework, was surely a learning experience for me. Phase two of my PhD studies (thesis) was more challenging than the coursework. I now had to apply knowledge, skills, techniques and the theories learnt during coursework,

Through this research I established that, in school management, the implementation of the child friendly school internal benchmarks significantly contributes to making primary schools more child friendly where the full potential of learners is nurtured in an inclusive, secure and healthy environment and with great respect to diversity in the society. This achievement ignites more zeal in me to study more on how management can minimize barriers to learning. "With Mount Kenya University, it can be done." those still in this process, move on!

**Mwaura Alex Njogu -
Phded/2013/43577**

One of the most critical challenges that I experienced was acceptability of my research topic because of its uniqueness. However, the

challenge made me understand my research better and made my data collection and analysis flow. My Future Prospects will focus on being a researcher and consultant in various policy issues related to Education, Technical Vocational Education and Training (TVET) in areas such as Instructional Materials Development, Curriculum design and implementation and work with established universities and Institutions to promote Education and Training Research and Development for continuous Economic Development and Sustainability.

PHD is about proving to yourself and to the wider society that you can do cutting edge innovative research and thus requires researcher's very well understanding of the topic and content.

I would like to acknowledge the support that I received from MKU management throughout the programme. Thanks to my lecturers and supervisors who diligently attended to me. My experience with my lecturers and supervisors has left me with many lessons that I can draw from as I also guide others through the same journey. For those who have not begun the journey, it is a lifetime experience and worth all the time and efforts that it takes. I specifically call upon my classmates and all the others who begun this journey and for one reason or another have not completed. I urge you to press on as resilience is part of the course and once you are through you can look back and have reason to celebrate. Long live my Lecturers and supervisors. Long live Mount Kenya University!

Career Mentorship

The communication and Corporate affairs directorate has intensified the career mentorship program through school visits and exhibitions in Kenya and across Africa. The Directorate holds career fairs in and out of the university. This is a free service that is meant to equip the students with the knowledge of how to progress in terms of future

career development. MKU has established a career office to mentor students as they pursue their career aspirations.

For visiting schools, the program is conducted on the last Friday of every month and requests can be made through **communication@mku.ac.ke**

MKU HOSTS GERMAN BIDA DELEGATES ON A CULTURAL EXCHANGE PROGRAM

MKU hosted the German-BIDA delegates after their tour in Tanzania. A team of seven (7) students and three (3) staff members from H-BRS arrived at MKU for the Spring School in Kenya from IFM, Tanzania on Sunday, 26th February 2023. The team from H-BRS was hosted by MKU for one week starting from 26th February, 2023 to 4th March, 2023. Both the students from MKU and H-BRS participated in joint group-work activities and field trips to Mully Children's Home, Delmonte Kenya, and the United Nations Campus as they drew experiences of Diversity Management from the different institutions that they visited.

The Spring School culminated with presentations on progress made on each of the BIDA group-work assignments. The BIDA groups: Yellow Manjano, Blue Aces, Ubuntu Red, and Ubuntu Green were constituted

during the online phase of the course that took place on 4th, 5th, and 26th November, 2022. Each group chose a diversity dimension which they were to compare and contrast how the selected dimension was highlighted within their own country and institution, what barriers existed and what measures were taken to encourage equity and inclusion. The diversity dimensions discussed during the group presentations were religion, age, and gender.

The students and participating staff from MKU, IFM, and the University of Zambia will visit H-BRS for the last part of the course, Summer School, and the students will participate in joint courses, workshops, and field trips, with the hosting students supporting the visiting students. The project groups continue to work together virtually on their respective assignments.

Student's Story

CREATE YOUR PERSONAL BRAND

Saadia A. Siyat

Saadia A. Siyat is a 3rd year student at Mount Kenya University, pursuing Bachelor of Education (Science).

She is a passionate writer and poet with two books published. She is a certified peer counselor and SDGs 3&4 champion.

Majority of students at campus believe they lack resources, capital, time and other prerequisites to achieve their dreams. However, Saadia is living her dream of being a Writer, today, while she is still a student. What could be her source of motivation and inspiration?

I have a tale to tell. Hailing from North Eastern region of Kenya, Garissa County, B+ was a perfect grade, with straight As in chemistry and mathematics. Five years ago, I saw my results and promised to make my long-lasting dream a reality.

I did not know why I wanted to be a doctor. Perhaps, we are given a script unconsciously at a tender age by the systems and people who surround us. I believed the best course I could pursue was Medicine and Surgery. Now, when I reflect back, I realize I wanted it in order to make my parents happy and proud.

I looked for direct entry to medical school in Kenya but failed to get one, because I had B- in Languages. This has pushed me to seek admission outside the country. I was admitted to a Ugandan university where I studied Medicine & Surgery for one year.

Whilst there, I battled feelings of incapacitation and lack of fulfillment. There were conflicting thoughts in my mind. With the expensive tuition I was paying, I frequently asked myself, “Is it really worth? Will I be able to work voluntarily to treat patients yet I am paying all these funds for my studies? How long will I take to pay the debt to my family....” and many other questions.

If anyone says Covid-19 was a blessing, it is me. This was the period I faced reality. I had time to pursue my interests and do what keeps me alive. My desire to write was suppressed due to the pressures of medical school. Here was time to explode! I wrote several poems, read books on how to write good poems, works of great poets like Shakespeare and Frost and shared my pieces with close friends. They gave me positive feedback which further inspired me. But before I knew, it was time to go back to studies.

After finishing my first year, financial challenges showed up. I sought for an alternative way to complete my studies. This led me to the

discovery of Mount Kenya University which was reputed to have the best medical school with modern-day facilities across East Africa. I tried to get a transfer to MKU. Unfortunately, it was not possible.

Challenges and obstacles are the gateway to change. As a drop-out of medical school, I had to question myself of what else I could do in life. I started reading books. Each book I read spoke to me in two ways.

Firstly, it satisfied my thirst to get new outlook of life and mindset shift. Secondly, it taught me I had what it takes to be a writer. So I listened to my inner voice and accepted to be a writer.

On 9th September 2021, I reported to MKU to get trained as a teacher and build the writer in me. As I listened to the speech of Vice-Chancellor during the orientation day, I felt I was in the right place. He talked about personal branding. “What will be your brand when you leave MKU?”

This question hit me hard. I wanted to graduate as a teacher and a published writer. Henceforth, I

decided to take a step each day in building an outstanding personal brand.

In my second semester, I got trained as a peer-counsellor, a training which served as a hallmark of change in my writing journey and made me discover my passion in psychology.

Motivation, inspiration and information from counsellors made it easy to write and publish. Overcoming fears is one of the constant blocks in a writer's life. Being close to counsellors is my ultimate hack to make it through.

From experience and through reading books, I have learnt that there is no day you will ever be prepared to make your dream a reality than today, and if you are

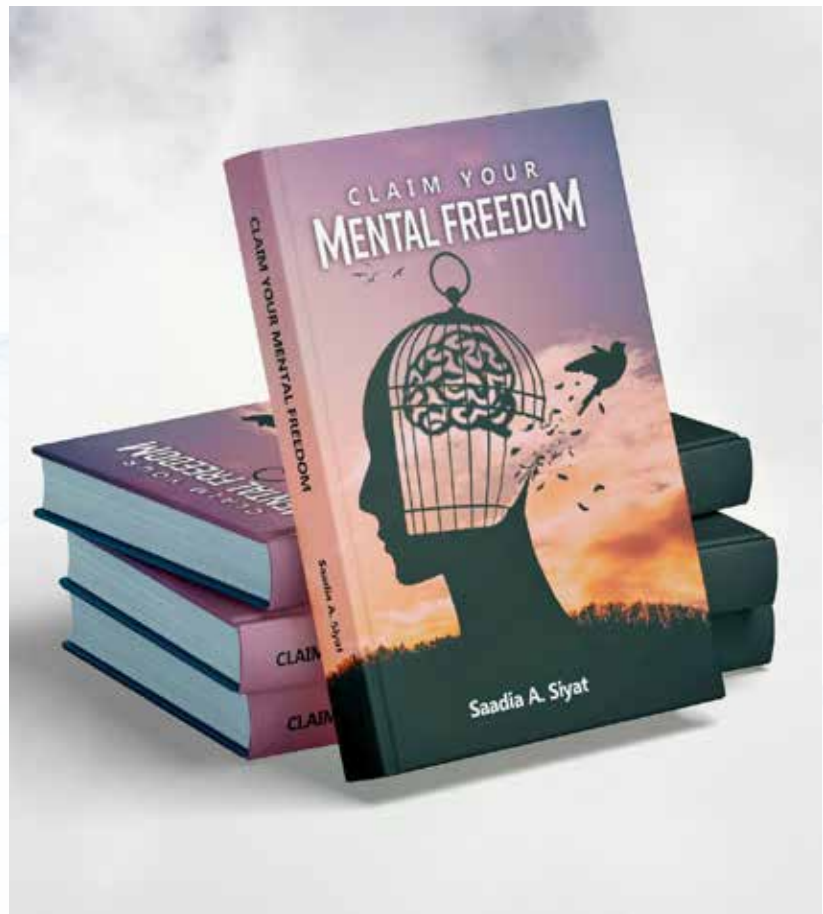

“A From experience and through reading books, I have learned that there is no day you will ever be more prepared to make your dream a reality than today. And if you aren't doing what you love each day, it will be difficult to make any dream a reality.”

not doing what you love each day, it will be difficult to make any dream a reality. Campus days are the best of days to invest in yourself and build a personal brand which will sell itself once you are out there.

I dream of speaking and writing books that will change mindsets of people, empower them with mental freedom, hence improve the quality of their lives. Whenever I read a book and my life improves, I get momentum inspiration to speak and write about the impact it had.

I am grateful to anyone I met during the past two years within Mount Kenya University. You have contributed to the determination I have as a Writer.

Mount Kigali University

THE Ag. VICE-CHANCELLOR

Mount Kigali University has emerged as a beacon of transformation, poised to become the preferred university not only in Rwanda but also across Africa and beyond. On 20th April 2023, history unfolded as the Cabinet of Rwanda granted approval for the university's accreditation, marking the culmination of a remarkable journey that began with the daring Application for Change of Status in 2018. The approval for the accreditation of Mount Kigali University as a distinguished "Private Institution of Higher Learning in Rwanda" has been embraced with resolve, humility and gratitude.

The path of Mount Kigali University has been defined by a relentless pursuit of excellence, with rigorous assessments and a collective spirit of progress propelling them forward. Expert evaluations and follow-up assessments bolstered our commitment to growth, refining every facet of their institution. The report presented by the Higher Education Council (HEC) on 5th May 2023 affirmed our dedication to academic excellence. The accreditation of fifteen academic programs, along with the opportunity to mount other programs in future, signifies the recognition of our collective efforts in adhering to the Rwanda National Qualification Framework.

On academic transition, the campus has 7,475 active students

and phase-out plan is in place to ensure that they graduate under Mount Kenya University by 2025 or thereabout. Across various disciplines, notable programs are offered in the Schools of Business and Economics, School of Hospitality, Travel and Tourism Management, School of Education, School of Computing, Informatics, and Media Studies, School of Nursing, and School of Health Sciences. The university has a logo; **"Empowering Generations Through Quality Education."**

With autonomy granted, a raft of benefits is accrued, ranging from awarding degrees to eliminating the need for equivalence, easy professional licensure, growth and expansion, credit transfers, a global network via alumni and collaborations, and the creation of new market-driven programs,

among others. It marks a new era of service excellence for our clientele. In a harmonious symphony, governance, academics, quality assurance, student welfare, and corporate partnerships align to create a dynamic future. New instruments of governance pave the way, shaping a path of progress and growth. With each step forward, Mount Kigali University dances to the rhythm of progress, orchestrating change with grace.

As we embrace this new identity as Mount Kigali University, we always remember the legacy of Mount Kenya University's Kigali campus. We pay homage to the years of commitment and knowledge imparted within its walls, shaping the lives and futures of many. We carry this legacy forward nurturing intellectual curiosity, instill values, and promote inclusivity in their diverse community.

To our students, we acknowledge that you are the heartbeat of the university. For you our efforts are dedicated, your dreams and aspirations are the driving force behind the university's commitment.

Congratulations to all on this remarkable milestone, as Mount Kigali University ascends to become a beacon of higher education, **empowering generations through quality education.**

Thank you very much!

Student Sponsorship

MKU STUDENTS BENEFIT THROUGH PROJECT HARAMBEE

Professor John McNulty and Dr. Kathleen

Killion’s academic journey has been inspirational. This has been made possible by student’s academic advisory by MKU faculty and a mentor at St. Aloysius Gonzago Secondary School, Father Terry Charlton. We worked together to assist Killion, leading to his successful completion of the Bachelor of Medicine and Bachelor of Surgery program this year.

I would like to take this opportunity to thank all the staff of Mount Kenya University who have worked with Project Harambee over the years to ensure the success of our sponsored students. None of them would have achieved their educational goals without considerable joint efforts. Indeed, we “all pull together” to help them. Countless people will be positively impacted during the professional lives of these young people, including many rescued from death’s door, and I am very grateful for their hard work, persistence in the face of challenges, and their good records at MKU. Yet we know that we are but instruments, acting as God’s hands here on earth. We don’t work alone, and when facing an obstacle, I tell myself “God and I constitute a majority.”

We at Project Harambee welcome the beneficial and continuing friendship and partnership with MKU and look forward to many more successes in the future.

Warmest greetings to all the leaders of Mount Kenya University, wishing you blessings from God.

I wish to express to each and every one of you my deepest and honest gratitude for the support you gave me to be able to study. I feel grateful that God and life put people like you in my path. Wonderful people who supported me unconditionally to move forward and fulfill my dream of become a doctor.

Now that I have fulfilled another dream of mine, I wish to share with you my triumph and joy that I feel realizing that my effort, my dedication, my persistence, my constancy and not being defeated by any obstacle made this possible.

I wish to offer this degree to God, to my family, to Mount Kenya University and to very special persons in my life, my Sponsors; Dr. Kathleen, Professor John McNulty and Mr Isaac Hanna. God bless you for all the support you gave to me. I love you so much and you will always be in my heart. You won a very special place in heaven for being such a noble and extraordinary persons that helped me unconditionally.

Yours Sincerely,

**Killion Juma,
graduand - Bachelor of Medicine
and Bachelor of Surgery**

MISSION

TO IDENTIFY, NURTURE AND MATURE YOUTHFUL GRADUATE ENTREPRENEURS ACROSS AFRICA

Mount Kenya University's Graduate Enterprise Academy (GEA) was instituted in 2013 as a community outreach platform whose activities are primarily geared towards youth empowerment and edification through entrepreneurial and leadership-oriented training. The impact of GEA has been phenomenal. This owes to two main reasons among others. These are the carefully selected and highly potent training which is blended from amongst relevant and renowned programs derived from across the globe and the fact that it is offered by a team of well-qualified and experienced practitioners and professors.

The GEA program at MKU has gone through progressive changes since inception which have been informed by the community dynamics as well as viability options. So far, two cohorts have been commissioned whose beneficiaries are running their businesses as well as mentoring others across the country. As a business accelerator, GEA embraces the Public – Private Partnerships strategy to ensure a quad – helix model. Exhibitions, face-to-face and digital mentoring, networking and monitoring and evaluations are key hallmarks of the GEA's strategic operations.
