**A RESEARCH PROJECT SUBMITTED FOR FULFILLMENT  
OF THE REQUIREMENTS OF AWARD FOR BACHELOR  
OF EDUCATION DEGREE IN MT. KENYA UNIVERSITY.**

**OCTOBER, 2012**

## **ABSTRACT**

This project contains five major sections:

The first section is the introduction which gives an over view of the effects of alcohol consumption on academic performance in secondary schools.

The second is a review of related literature which analyses the effects experienced as result of alcohol consumption in different countries.

The third section deals with research design and methodology used in carrying out the research.

The fourth section contains results, presentation and discussion of the findings

The fifth section contains the summary, conclusion and recommendations

In addition, there are references to the literature review and appendices which gives the timeline, the budget estimate and the questionnaire to be used in the research work.

The locale of the research was Mpeketoni division in Lamu County.
